When I look in your eyes

There I see

Just what you mean to me
Here in my heart I believe
Your love is all I'll ever need
Holdin' you close through the night
I need you, yeah

I look in your eyes and there I see
What happiness really means
The love that we share makes life so sweet
Together we'll always be
This pledge of love feels so right
And, ooh, I need you

When I look in your eyes, there I'll see
All that a love should really be
And I need you more and more each day
Nothin' can take your love away
More than I dare to dream
I need you

[Starting here] Ooh, and I'm starting now
I believe [I believe in love], I believe
[Starting here] I'm starting right here
[Starting now] Right now because I believe in
your love
So I'm glad to take the vow

Here and now
I promise to love faithfully [Faithfully]
You're all I need
Here and now, yeah
I vow to be one with thee [You and me], yeah
Your love is all I need

This is what you give me to work with... well honey, I've seen worse...

It takes time and patience to craft such beauty...Imagine being up at 7a.m. to have your hair done...we were there at six.

Guest & Seating

Just a moment to reflect on the beauty
of this holy union

Processional of the Bridal Party

Inseparable, that's how we'll always be, Inseparable, just you and me

It's so wonderful to know you'll always be around me

Incredible, what you are to me, Incredible, you bring out the woman in me

Now you are one of a kind, Inseparable, yes we are

We're like a flower to tree, like words to a melody of love

There's no way we can break up, No words that can make us blow our thing

We're just inseparable, that's how it is, Inseparable for the rest of our years

It's so wonderful to know you'll always be around

...and introducing the

Bride and Groom

Jeanette and Bennie Clark

"I dib dib dibi da uh um do..."

True love is a sacred flame that burns eternally.
And none can dim it's glow or change it's destiny.
True love holds with gentle hands the hearts that it entwines.
