

ANGRY LAD

Why get angry when I smile at ya lad?
Don't be offended you're just fit, that's it
It's a mistake chav, to think I'm bad
I'm not about to jump, I aint a git!

All I want is a smile back
You don't know me, that's fact
So take the compliment and the boost
Quit your posturing and stompin' boots

That's your assumption dude
It's just a smile, I aint bein' rude
Friends is all we really need
Take it as it's meant to be

I don't see ya as an object
It's you I like, n look, respect!
But I don't expect you to do owt
Just relax lad and let that grin out.
