In the Lord Almighty God Gracious acts of Mercy He has afforded through my instruction from the Holy Spirit to deliver unto man His Words of Truths. In my appointed position with God ..I was not appointed by man. I am appointed by The Almighty God. Therefore all that is spoken from me being not of my own wisdom ..but the wisdom from God. In-turn as a prophet in identification appointed by the Almighty Father ..the Holy Spirit says **{from{Yohanan/John 14:10.."The words I say are not my own ..but are from my Father who lives in me ..and He does His work through me}**. Thus in-turn for of that I to inform another Willed of the Lord God **{from{Yohanan/John 12:49-50 "I know God His instructions lead to eternal life ..so what ever my Holy Spirit He tells me to say ..I say}**.

**The Holy Spirit says** ..All permitted delivered spiritual information through my obedient submission being so to share with another of that being shared with me from The Lord Almighty God. Thus from The Lord Almighty God Power and Strength of Performance ..Another being allowed of sharing in unison of God His Truths revealed and from the visions-{God His shared thoughts exposed so the man to look out and see what needs to be done. Therefore the man being allowed of all to **miraculously see and feel** that of The Lord God in His revealed Truths how He see and feel. In-turn from such allowing for the man to discern of what need to be done so to receive His Salvation.

## My Why of Purpose

The following is such allowed of The Holy Spirit of that to be in address as for the many man to understand why I only to deliver of task through The Holy Spirit spiritual message of Instruction but as the man whom do not personally associate with another unless such to be a man sent by The Holy Spirit. For in purpose of understanding my appointment assigned from The Almighty

Father in assist with The Holy Spirit is only such that in responsibility to perform. For I am not here of earthly spiritual task to begin of groups-congregations-nor as the world to term-{a cult of followers. Though in-turn from such when understood to be the many man as in reason-{such to be a lonely life as though living in the wilderness but as from past experience within my years of earthly pilgrimage I have always been alone as that to be the many other man but whom are those the multitudes unable to receive such of thought for the many man do not know The Lord God therefore having of no faith to trust in Him for if so such the man to understand there to never be a dull moment within the Lord God Assembly. For why of purpose in thought of reason the many man feel such to be a lonely life as though living in the wilderness is due to the man lack of trust and faith in The Lord God therefore from such the thought to cast of fear believing-{to live as though alone.

Thus within my former existence to have been as in same believed of myself. For I to have been before the man of knowing The Lord God as living reality but whom than of no trust and faith in The Lord God therefore living out through illusion surrounded by the multitudes yet to have been those the most lonely years of my life. When being than I to have sat among those the masses and felt to belong but there being always

a deep emptiness to be felt and that in constant encounter shared of their spirits- {the harbored mass angry confusion against themselves another and The Lord God.

But all earthly man are those loving The Lord God- {All Man because such the man to carry that small remnant belonging to God- {**the inhabited spirit** where in-turn is that of The Creator

His Love. Thus being why the man when of any traumatic occurrence to always of first to voice- {**Oh my God** for the man to be known of instinct to call out to the one belonging- {the one being a part of himself- {**The Lord God of Heaven**. For as

voiced {from {**Mattathiah/Matthew 26:41..**“**The spirit is indeed willing-**{to reach out staying awake in company to The

Lord God his Creator **but the body is weak**}. Because from such the man spirit is that belonging to The Lord God therefore in instinct being that the man to call out of that in similar. But those the multitudes the man his spirit is enslaved imprisoned by that to inhabit him- {the treacherous demons. Being why the man rebellious behavior is termed by The Lord God as treacherous deceitful and full of wicked conspiracy- {for that which to reside within the man manipulating the behavior as though puppet in string is that in same- {**being the demons whom are those**

**treacherous deceitful and full of wicked conspiracy**. For the man such whom to voice being an atheist is not a man really not believing in The Lord God but the man to believe as myself long before- {being that in feeling The Lord God has abandoned His Creation where in-turn such the man to have placed the notion aside there to be of any deliverance for mankind- {therefore such

to be reasoned The Lord God anger to be so extreme against man where in-turn the earthly man of his existence is that

rendered of extreme punishment through The Lord God **His vengeance** and from such to be it concluded of the man The Lord God deliverance as spoken from another to be of **faked arrival**. For such the man believed as the atheist and those the

man of extreme wickedness are the multitudes in contrary to any other- {**thus being those knowing and having the reality of The Lord God existence** but being the man felt to be of His abandonment. Therefore through the man anger and resentment being whom to indirectly voice through demonstration saying unto The Lord God- {Well I too will abandon my belief in You. But once such the man to repent and be Appointed The Holy Spirit and through the sharing such to become of the man Comfort when brought to understanding

### **The Why of Purpose.**

In recent encounter with a stranger I to have shared in voice of The Holy Spirit of that to be formally spoken and the gentleman to reply- {I like how what you to have voiced in explanation for I have heard such in same meaning delivered in many ways but to have never been brought of comfort and such enjoyed its present view how extended. I in-turn took no honor and praise for that being voiced therefore immediately replied- {such to be not of my understanding but from that to be delivered of informed message by The Holy Spirit. For the stranger to represent in role of play those the multitudes whom of no Comfort because of not being delivered of that spoken in Truth from The Holy Spirit. For The Holy Spirit Speaks of God Truths against all man- {being not like that of the world whom as the man to speak through the wisdom shared of Satan where in-turn from such to separate of only the truths being exposed of that against only whom desired. For The Holy Spirit Spiritual address being that always informed listed of having no impartial deliverance for ...**The Lord God has no favorites.**

When as a young child at the age of seven I to have read my first novel all alone being the book- {**Alice in Wonderland**. And the most favorite part being enjoyed of the story to have been when of the banquet- {the tea party. Thus to have from such later

through remembrance always made me laugh against the many man behaviors for such to be those in exact same likeness as demonstrated by the characters within the story- {for in-turn the earthly man as in the book being those the multitudes to mimic of same idiotic demonstrated performances- **{those ensued by the demons inhabited within him** as all to seat together at the world round table. And those to be the clever man worn of the large top hat illustrated as the leader seated at the world round table and having the loudest voice thus where in-turn being the same man in most often more then any other whom are those full of trauma and ridiculed with fear- {for such the man to always be in wait watching of time against his pending fate being that eventually to approach. Therefore upon whom such the man when to feel of the heat to touch his back- **{being the Wrath of God** being the man first to jump and run screaming in panic- **{that something hot touched his back** thus dragging as an umbilical cord ahead of him that to hold attached the many others of his assembly connected between his legs- **{whom being those the others of fear** while those another to stand as though absent minded and confused seeing the man running in fear and not understanding of its purpose thus screaming out- **{What happened.** For upon the Wrath of The Lord God in time to approach the world round table to be emptied and all man to scatter running in many directions. For each man the multitudes are those to enact of absent minded behavior as though nuts. Thus being the demons within the man appointed as play of stage those that to reside inhabited within the man. In-turn from such of that in the former to be witnessed and of that already than reasoned- {believing The Lord God vengeance to be against all man and such concluded The Lord God deliverance to be of faked arrival it to have been of myself than being felt- **{all man to be those idiots and sentenced to the pit.** But presently where I sit in true unison of reality with My Almighty Father My Lord

God and My Holy Spirit and the Heavenly angels-**{being those more then there are stars in the sky** in-turn where presently being the happiest most joyful time I ever felt in my earthly life and without lies can voice of its truth exemplified through demonstration that-**{My Almighty Father My Lord God and My Holy Spirit being All that is needed-**{for as in contrary to man they do not lie deceive nor change. And therefore in-turn by The Holy Spirit I am shared in constant understanding of all things-**{Why of Purpose** thus being that to bring of Comfort. For as like a child I am in constant always joyfully asking of The Holy Spirit of the **Why**. Therefore from such my obedient spiritual task to only be in benefit through respect of My Holy Spirit and for my deep devotion of love shared with My Lord God and where in-turn from such to bring My Almighty Father All the Praise Glory and Honor when to obedient share of that to be Instructed by The Holy Spirit so as the other man to be brought to The Lord God Presence so as to not die in his sins thus as **not** to be the man-**{those as though in puppet of string manipulated by the demons and through behavior enacting as an idiot and from such to be the man sentenced to the pit.**

For through my earthly pilgrimage I have been exemplified in circumstance the man to have had of the bountiful measure conjoined of another as the earthly illusionary called financial wealth where than I to have sat with the many man of deceit and dined and grouped with those upon their luxurious vessels-boats that to overlook the million dollar homes they to have stolen from the sweat of another-**{those the man believing to be seated above another-}{the man whom love to sleep eat dance play and dream therefore whom to steal and kill so to maintain the glory but whom the man that could not rest in fear of that thought to lose. Thus the man whom to use of any clever method of**

treacherous tactic against another so to keep its secrets never to unfold as not the man to lose that temporary illusion formed by Satan within the desert.

Where as in-turn also through my earthly pilgrimage been the man exemplified in circumstance whom to have lived as that of the world termed the middle class. Being the man situated of the world through platform in station of character so as believed conjoined within its league unison of the upper class but only being the column those to hold up the weight of another as his leverage so to stay atop- {thus being the man whom worked diligently so to stand of Satan illusion believing to belong.

In-turn I have through earthly pilgrimage been too exemplified the man in circumstance whom without nothing the man of meagre substance barely staying afloat where in-turn living among others of same sort those like the mangy stray dogs whom roam the territories and some whom harbor in groups so to be maintained by a leader for safety. Being the man of the world the others indifference. Where from such through consequence of depravedly whom to succumb the man most often those embittered with rage and anger because of no one caring for them. Therefore those the man whom to bite and bark at one another thus having only of fear against the dog catcher- **{those of authority and the bill collectors.**

Yes I have through my earthly pilgrimage experienced all three circumstantial situations- **{the lifestyles** thus when before only being the man a slave to that viewed of illusion and of that through consequence of the illusion to occur against another from that desired of another. Being the man whom of yesterday of my voice always saying to Satan and the others- **{Yesum master boss I surrender of your obedience.** Thus too being why before to have reasoned all man being idiots and those

sentenced to the pit- {for the many man are those to enjoy being of slave servitude- {to Satan and that of another man. For Satan to perhaps toward the man serve of small temporary favor thus to allow the man of pleasure and the man yet within his horrid disobedience to The Lord God and so to relieve of the guilt thus to voice in measure such to be its treasure afforded from God. And the earthly man as master to perhaps throw a bone gathered of a small portion of meat to the man allowed seated under his presence thus hid from another but such the man believing to be a special pet where in-turn to feverishly lavish of the welcome of no conscious respect for himself thus allowing to be as though a dog- {but of the spirit the man whom to hate himself and those another because of his weakness. Thus being the man the multitudes often to render of the wicked spirits suggestions- {**the horrific murders**. For from such of that gifted of The Holy Spirit I being one enabled to see of sight of that being inhabited wicked within the man therefore to have known those the multitudes are used as puppets in string by Satan and the wicked spirits for their manipulated desire so to destroy the man spirit.

But of the present circumstance I live within My Lord God Household where being surrounded in constant of **Truth** The Almighty Father His acceptance The Lord God His Love and Glory and The Holy Spirit Comfort from the sharing and being whom in constant without wavier allowed of all my needs cared for Everything without change where in-turn being the man whom to not lose of rest from fear of that to linger in the dark shadows being its threat of that thought to snatch. The man whom to not need be as the weight support of another so the other man to be those lifted so to see of clear view nor the man as a stray mangy dog wandering through territories always hiding from the dog catcher and whom needing to be encamped of multitudes for leader group of protection. But myself being of present the hand freely extended out to another of The Holy

Spirit message thus being the Free uncoded clue to bring that too the freedom to another man thus to be still and wait for retrieval  
Thus allowing The Lord God to Act.

Therefore I am only in task of The Holy Spirit Instruction where from such delivered to another tears down the curtain of illusion so the other man being formed of view its Truths- {For the Truth is the Temple of The Lord God- {where in-turn because of my obedience The Holy Spirit says being where I reside as in same to that voiced {from{Numbers 12:6-8..“Upon The Lord God to address in voice of the man Moses saying ..Even with a prophet I would communicate by visions and dreams. But that is not how I communicate with my servant Moses. He is completely at Home in My House. With him I speak face to face. He is completely at Home in My House}. And from such through that of benefit I am the man in constant shared by The Holy Spirit of God many secrets and that of Heaven and of that being conspired by the many man those in obedience to Satan and the wicked spirit whom termed- {the Anti-Messiah thus being those the man used by them whom in often from my obedience to surmise of clever strategy through suggestion as to bring forth my destruction from that delivered by The Holy Spirit. But being those such the man by The Holy Spirit whom literary brought to my attention of their appearance and wicked plans and demonstrations. Where in-turn myself and The Holy Spirit to often laugh against the wicked man obedient plots and that being in punishment to succumb against the man for his obedient measure in assistance as Satan conspirator against that being the Will of The Lord God through performance of The Holy Spirit Instruction.

When I before to be under the House of Babylon favors- {Satan present authority I to have witnessed of a tactic used against the many man whom to come forth of favors but to have never been

before shared of its purpose but only of that explained in the half measure. In-turn I to have joyfully been presently of The Lord God Will through The Holy Spirit afforded another Gift for that in benefit of my spiritual task performance. Where in-turn I to have been shared of the former meaning used of clever tactic to that before of another when only than versed of its half measure.

For from such each earthly man is literary carried of a spiritual mark as **to distinguish the man his fate of identity**-{of that to be destined of The Lord God toward the man being it in favor or judgement against the man. For though this mark such to literary voice of the man standing position with The Lord God where in-turn that to be governed of the mark sourced by identity to also allow for Satan and the others to form in strategic demonstration against the man. But only such the mark to be that shared by The

Holy Spirit whom shares of all Heaven and of The Lord God secrets. But the man those belonging to Satan the sorcerers and witches do not know of its understanding-{for such the man are those hidden and being not shared of the secrets belonging to The Lord God held by The Holy Spirit. In-turn the following to only explain of each given mark the man those individually to

carry ...

**\*\*\***For the earthly man are those some identified through mark as the multitudes being-{**the man in obedience to the wicked spirit whom termed the Anti-Messiah** those the man selected as his children and whom are those to diligently follow of his suggestions. Thus in-turn being the man of the **Anti-Messiah** specific target of close watch being the man guarded by powerful diabolicals. Where in-turn if such the man to be voiced claiming to belong to The Lord God there to be of the wicked spirit appointed to the man an imposter represented of The Holy Spirit. Thus such the man being whom of no possible change-{he is an Anakim. For such the

man as Willed of The Lord God his present fate is sealed.

Such to be the man exampled of position to the Anti-Messiah in delivery of task as that to ensue similar to ...The False Prophet.

\*\*\*

And another being those the multitudes marked identified as-{the man in obedience to Satan. Thus being the man as in same as the other if voiced claiming to belong to The Lord God to be whom appointed of a wicked spirit as imposter of The Holy Spirit. And as before the man whom in the utter obedience to Satan those to diligently follow of his suggestions. The man selected as his children. Thus in-turn being Satan specific target of close watch being the man guarded by powerful diabolicals. Where as such the man being whom of no possible change-{he is an Anakim and as Willed of The Lord God present fate is sealed. Such to be the man exampled of position to the Anti-Messiah in delivery of task as that to ensue similar to ...The False Prophet.

\*\*\*

And another being those the multitudes marked identified as-{the man being in purpose of The Lord God appointment-{thus used in personal individual circumstances against another so to bring that other man to Salvation. Thus in-turn being the man of Satan specific target to manipulate through illusion and confusion.

\*\*\*

And another are those some identified through this mark as one of the-{one third the man marked inhabited with The Holy Spirit. Where in-turn such the man may be those whom to have not yet repented but being whom marked since the

beginning of time to do so. Thus in-turn being the man if to have not yet repented those of Satan specific target to counter attack. Thus being the man of The Lord God His Specific Target to Retrieve.

\*\*\*

And another being those marked identified as-{the man those to receive The Lord God Mercy of that through the man spiritual appointment ordained by God to ensue-{the man those most often of specific characteristics that of the world to be viewed as the man of dependency-{the man cuddled shared of anothers beating heart. Thus in-turn being the man of Satan specific target to manipulate through another man hatred.

\*\*\*

And another being those marked identified as-{the man of second chance thus being such the man of this life his only aptitude left of choice where being the man from long before whom lived of earthly existence but after death to have vowed of promise to render in obedience to The Lord God thus being allowed of chance to demonstrate of performance its truth. Thus in-turn being the man of Satan specific target to manipulate through that harbored of the spirit from before.

\*\*\*

And another being those marked identified as-{the man of first born spirit-{new spirits. Thus in-turn being the man of Satan specific target to form of illusion.

\*\*\*

And another being those marked identified as-{the man from the pit whom there to have greatly suffered but allowed to again conjoin with those of the living thus being the man

upon the earth of second measure in punishment where when afterwards to receive of its earthly punishment and if to repent to be made of full debt paid to God. Thus in-turn being the man of Satan specific target to form of illusion through that gifted of the man of sight.

\*\*\*

And another being those marked identified as- {the man not belonging to The Lord God but those whom destined as Willed of God to enter the reign of the Anti-Messiah. And such to be the man of extreme stubborn resilience against The Lord God Truths. Being the man of no possible change. For such the man his present fate is sealed. Thus being the man of Satan specific target to stay maintained formed of the embittered hatred and rage.

For such to have been gifted to me from The Holy Spirit for that in purpose of my understanding the **Why** of the many man behaviors. For the many man of those identified of specific marking whom to not change being the man his identity of fate as Willed of The Lord God so to later receive of that being deserved- {those destined to enter within the Anti-Messiah reign so allowed where in-turn after punishment being the man a chance to receive of The Lord God Salvation. But the man marked ordained since the beginning and chosen of the one third to be of The Lord God present major interest- {being the man destined to repent and whom to be marked contained of The Holy Spirit so to be gathered of the Harvest. For in-turn if such the man to have repented and to die before the Harvest to be whom still to awaken and rise from sleep.

## The Man Those Before Why of Purpose

As Instructed by The Holy Spirit the following delivery is to be shared so to bring clarification to why of that before presented within the former delivery to have been voiced of the man king James and where in-turn The Holy Spirit to allow in sharing through brief insert that in understanding to how and why to have ensued the role of the man king James and the establishment of Christianity.

**In Personal Note** ..within the former spiritual delivery there to have been shared in mention of testimony noted to be voiced from a former acquaintance being in reference to the priest and pastors as voiced-**{Yes of that they to preach they know better than to approach me.** Where in-turn through sequence to follow of statement there also to have been implied-**{For the church all to be run as a business-{being still the Roman Empire desire to stay of power through the priest.** In-turn of The Holy Spirit the following brief illustration to be shared so another to be formed of understanding in why its reason such being voiced .....

**THE HOLY SPIRIT SAYS** ..There are the multitudes of man those to have taught by route believing the religious institution of Christianity to have been established soon after The Lord God Sacrifice but such to have not occurred until-**{the four hundred years later** after The Lord God Sacrifice. Being the four hundred years later upon Satan to have succumb relaxed within his new reign of its earthly rulership as god king. Where to be of time **the four hundred years later** Satan to be in measurement of strategy to that reasoned in wicked agenda laid in plan as voiced **{from{Daniel 9:26..“Against the City-{representing the man**

and that **the Temple-{representing The Lord God Word of Truth}** being those both strategic in plan laid of his wicked agenda to succumb of its destruction.

THE HOLY SPIRIT SAYS ..Thus as that to occur surmised of forefront planned of Satan to have been to ensue **First to begin the overturn** of the Ancient Roman Empire. Where in-turn to take away its world leadership of power and strength and transfer that being held of another in strength and power to the British as for in purpose such the man from that region to later establish the land founded of the new world-{called the Americas. When being there in that new found region-{called the Americas to succumb in performance the treaty Satan to have formed in negotiation with another long before. Thus from such upon then Satan clever established agenda to reign of success. When through the treaty such to bring forth in purpose of the man the mass multitudes their destruction-{being those **the man Israel all man** belonging to The Lord God Creation.

Thus the **three things** to occur and how all of stage to have been enacted being that brought to its why of purpose throughout the following as illustrated ...

THE HOLY SPIRIT SAYS ..The Ancient Roman Empire when recognized of its nation being in threat of collapse the rulers sort advice from those the learned men within their assembly being those the Greek philosophers whom were then some of the few within their trusted assembly as the man believed a wise seer and the man in sight of clever knowledge. Where in-turn through these trusted men such to be thought by the Roman Empire to be retrieved of an answer as in how to forth come its solution to maintain Rome stayed of its world leadership and power.

THE HOLY SPIRIT SAYS ..In-turn while that in wait to remedy of answer to the Romans request from that suggested by Satan to the Greeks- {those believed as the wise men of great philosophy Satan to ensue **the second reasoned** agenda thus to be then of Satan suggestion to the man king James and all those the many joined within his assembly to begin in task of performance the writing of the new Biblical transcript. Which to be the appointed task of major importance for such to be it combined with that shared by the Greek philosophers to the Roman Empire- {**being the meat sandwiched between the bread.** For that rendered successfully of the man king James to be the full nourishment needed to be carried with the answer that to go forth ensued of the Roman Empire. Where as in finally to be of the following to occur ..

THE HOLY SPIRIT SAYS ..Satan wisdom of advice to the men of great philosophy of that to have in-turn been relayed to the leading officials of the Roman Empire- {such to have been of its suggestion- That the Roman Empire being whom needed as to perform instead of remedying so to receive the return respect by their subjects through torturing and punishing the man so to instil of fear but being that to rather in contrary use against the man clever mind strategy when through manipulation of the words addressed of a God. The men of the great philosophy in-turn brought to the Roman Empire attention to mimic through use of example being like the man- {the four hundred years before of that held of legend whom the many Jews those to call- {**Yeshua The Messiah- {The God of Israel** where in-turn such to have been voiced of the men of clever philosophy upon the Roman Empire to use of same technique before demonstrated by such the man called- {**Yeshua The Messiah** to assimilate the many man under their reign authority being those to cling of fear to that believed of a God instead of the whip and crucifixion. For of the men of clever philosophy it to be suggested upon a man to

be appointed of authority saying to speak of a God behalf from such to arise those the multitudes whom through utter loyalty and respect to that commanded being those a people to render to obedient servitude of that suggested. Therefore through use of such a technique its consequence will bring of arrival a nation being of mass greatness. The scholars also addressed to the Roman Empire of a same people- {the Israelites of those long before of same theory followed out of Egypt and lived within the desert with whom called of a man Moses that spoke of The God of Israel to Command of the man to perform- {and through consequence being the man Moses to have rendered his earned respect by multitudes of thousands under his governorship. The men of clever great philosophy in finally to address the Roman Empire if as to use in same theory before as another example of the man **Yeshua The Messiah** and **The man Moses** such to be it assured as to succumb a nation to win over the entire world by its indoctrinated fear instilled within the many man of that when mimicked in voice of a God through another. And as in-turn being those of a nation in receipt of its respect glory praise and honor from across the world.

THE HOLY SPIRIT SAYS ..As in-turn the great philosophers suggested to the Roman Empire since being of a nation whom carried of tremendous wealth such to be of that in their benefit. Therefore that first needed to be done so to formulate in pursuit in reason to meet of success- {Thus being that suggested to form of task which to allow of the other man later those to believe of that spoken through Rome by another. Where upon then to have formulated of its assembly to construct the Biblical paintings and the statues sculptured of holy men- {those in the appearance as to mimic the many Israelite holy men long before and being that of Heaven. But the trusted philosophers suggested for in the benefit so to bring all the praised tribute and glory to the Roman Empire

the art paintings and sculptured statues being in need as only to appear in replica of the Romans. Thus being those to assimilate of its substitution presentation to the many man from the four hundred years before and to all that of the beginning of time and of all the things presented in Heaven. Where in-turn Rome to be the man of all the world represented as the children of the gods. For such to be suggested by the clever philosophers the Roman Empire need to be those the man of all the world presented in identity similar to God where as to confirm to another being the man belonging to God and since to be an Empire of great power and strength-{all the world when to view Rome prosperity and being the man in God similarity and all that of Heaven and that all Heaven to appear as Chaldean will be of another believed such to be the man of God favor. For the learned scholars brought to the Roman Empire attention they as a great nation to represent Chaldea and since to hold the torch of world power and strength such to be it easy manipulated against the other man those across the world that all Chaldean nations being the man-{the children of the gods. Where in-turn such to bring benefit to the Roman Empire from the man those of similarity-{the other Chaldean nations whom from such will in-turn thus to unite with Rome through this belief and through the bonding of ties to create of the Roman Empire the greater massive strength which to carry out eternal-{for such the man all Chaldeans to be felt as the children of God favor-the children of the gods. And from such Rome and all her children sisters and brothers to receive the desired praise glory respect and fear and from such its tribute for all eternal to be always brought back in honor of praise and glory to The Roman Empire for its establishment.

THE HOLY SPIRIT SAYS ..Therefore of task to be assimilated of the art construction the Roman officials to have then selected the many man whom of the many being those falsed to perform of demonstration. For upon the man appointed of duty and if to

deny of conjoined performance to be the man by Rome held as a criminal and in-turn put to the death. For such any man choosing and through demonstration in enactment of denial being whom-**{not loving Rome**. Where in-turn as that to be demonstrated in task of the sculptures and the paintings those to replica of the Biblical characters and Heaven-**{to have been those of character the prompts choosing to be painted and sculptured being the artist selected associates and those gathered within taverns and strangers upon the streets-}{for such to have been ordered to the selected artist by the Roman authorities there to be no prompts used of any man except-}{Chaldean.**

THE HOLY SPIRIT SAYS ..In-turn the trusted scholars to suggest the Romans as to also mimic of that of the man Moses and Aaron thus being those whom in need to establish the role held of the religious man as a priest thus to represent the man whom to be sent forth of errand as a religious scout throughout the world in behalf represented of Rome. And of that also to include of their own reasoning being those the woman appointed as nuns where in-turn from such being no man whom to be without manipulation. Therefore the woman as nuns were those whom to foster against the other woman within all the regions to encounter of journey thus of all the world to believe such to be the woman belonging to God as His precious wife whom without sin. Therefore as that suggested by the trusted scholars the Roman Empire obediently appointed the many men and woman those to be formulated of task as scouts to be sent forth throughout the world of their authority-**{representing Chadea**. For such all arranged to have meant of the Roman Empire being a tremendous cost. But such to have been afforded because the nation carried of the massive wealth from that before taken-**{stolen by all the nations to have conquered and defeated through battle**. Thus the man as a religious scout whom selected to go forth in journey to be those carried of Satan accomplished

**second reasoned** agenda those the words transcribed by the man king James- {copied from the Jewish Holy Scribes. The Words belonging to The Lord God- {thus being the words that to have been cleverly changed in task of deceit that to have of the many long hours- {years taken to accomplish. Where in-turn of that rendered of task to have been of that not desired of use from the Jewish Holy Scribes thus as felt to be a threat against Chaldean culture being those the manuscripts burned to ashes. Where also in-turn the many Holy passages to have been those deciphered through inscription so as not to formulate identity to a man- {His belonging Household- {for from such to have exposed of untruth to that established of the paintings and sculptures. And of that the Commandments those shared of God to the man Moses being those to have been **12 Commandments** but being two deliberately severed- {for the **one being deleted of Commandment** to be stated of divorce and the **second deleted Commandment** to have been in mention of the responsibility to the elderly held by the child where in-turn both such to be felt as to endow of pressure against the man being allowed to do as he please. For all to be reasoned leaving no stones un-turned so not the man to fear and turn away.

THE HOLY SPIRIT SAYS ..But such need to be understood of another those the many man before of the wicked conspiracy whom to form of clever treachery to have been the man **Not** believing in The Lord God for of such time all enacted of performance to have been only wickedly demonstrated thus as to achieve of another man desired purpose- {as for to maintain of the desired power and control. Therefore such the man than not in understanding all his performances to have been of The Lord God Planned Purpose for that to later be revealed when as to expose of another the before treachery conspired of- {**Satan and all his conjoined clever conspirators**. And from such allowing to later expose of The Lord God Truths when of present. Thus

to represent **The Lord God prophesied Awesome vengeance.** For all before ensued of its wicked treachery and that obediently adhered led to the institution of that formed in religious title- {Christianity. Where its adaptation to have continued throughout generations still used as in the same theory of the Romans- **{as in same purpose of its reason to succumb of establishment.**

Where being that of the multitudes whom to gain of prominent statue praise glory and fame used in prostitution of God. And in-turn to be why of purpose such to still perform of rule as in same as before first initiated of the Roman Empire- **{where being the man whom desire the station of priest- {pastor are those the many man mandated to be still earthly governed as licensed and certified of title thus whom must be taught of subject through the Institution made by man so as to be whom indoctrinated of that another only desire of that to be known and shared.** Therefore being the man as religious scouts- **{those licensed certified of title** to as before go forth and share of that taught by the words addressed only by man from the Holy Scriptures but not that from The Holy Spirit interpretation of them. Thus being why of purpose to be termed an Institution of religion- {for of its establishment to have been that formed in its beginning to maintain of watched agenda.

THE HOLY SPIRIT SAYS ..Thus where in-turn of that being of Biblical view and to still not have changed of the Lord God- {the man of such as a shepherd to be those appointed by The Almighty Father and being whom by The Son The Lord God whom Appointed The Holy Spirit being The Lord God earthly Representative where in-turn such the man to be shared of all things of God and Heaven so as to go forth as voiced **{from {2 Timothy 2:2..“Being the man to teach the Great Truths heard and then share with another to trustworthy men whom in-turn pass them on to others}**. For such in reference being voiced- **{Being the man to teach the Great Truths**

**heard** is to represent that heard by The Holy Spirit through its Biblical interpretation. Where in-turn of that shared by The Holy Spirit such the man to demonstrate through performance within spiritual task to ferret out the criminals the evil spirits from the Lord God His Kingdom freeing the man from the enemy grip so as the captives to go free. Thus bringing the multitudes to The Lord God Throne where in-turn like himself the other man to succumb loving The Lord God Name-{thus being the other man whom begin too in constant to voice out that Represented of God Name saying to another-**{The Holy Spirit says. As voiced from{Isaiah 28:29..“The Lord Almighty is a wonderful teacher and gives the farmer wisdom}** and The Holy Spirit to share it all. For the man being always to repeat and mimic of that instructed taught by his master.

THE HOLY SPIRIT SAYS ..Where in-turn of that to be spoken voiced by The Lord God through the Holy Scribes-{being that the man His Creation His children are those always to follow of His Words Spoken in obedience and never to venture of its change. Where in-turn in same similarity to have been that in obedience of no change carried of same format within its formed Institution of Christianity as before established of standard by the former wicked man long before. **Thus its reasoned agenda to have by the multitudes obediently been followed and to still maintain to the present its loyal leniency.** Where in theory such to have been established so to be its leverage formed in manipulation against another as to allow the man whom desired of wealth and power the esteemed prominence praise and glory and from such to be done as to achieve thus being that in remedy is such-**{to steal from God.** Therefore of its loyal standard to have not changed but being still followed of obedient measure as suggested by the father before. Thus being that of present in contrary of before to be such the man those as individuals of the masses whom to follow of its enterprise. And from such to be

done as in same before in order to achieve being that in remedy-  
{**to steal from God**. For that established of the man father in  
always to be obediently adhered in same example of obedience to  
follow of the child. For the man to only listen to that in address  
suggested of his master.

THE HOLY SPIRIT SAYS ..All being illustrated to allow in why  
of purpose in reference to that formally addressed-**{the church  
all to be run as a business-{being still the Roman Empire  
desire to stay of power through the priest**. Thus being its why  
of purpose-**{the Roman Empire-**{the man** long before felt in  
event to collapse of an Empire such to be still a nation carried of  
the world torch through that cleverly surmised of manipulation  
fostered of prostitution of The Lord God. Where in-turn to also  
allow the revealing in why of purpose long before suggested by  
Satan the man to perform in blasphemy against Heaven through  
the wicked scheme of treachery. Thus where in understanding to  
represent so as for Satan to render of that prophesied by God to  
occur-**{to destroy the city and the Temple**.**

THE HOLY SPIRIT SAYS ..The former wicked man of the  
Roman Empire and those of multitudes in their decent legion  
from the long time before and to the present are the many man  
to have massively benefited from that formally surmised in  
treachery. Thus being the man represented as that voiced by The  
Lord God **{from{Ezekiel 36:2..“Being the enemies whom  
sneered against the man belonging to The Lord God and  
who claimed their ancient heights as theirs}**. For the many  
man of these Chaldean nations to have stolen and ventured of  
pilgrimage sharing to another of wrongful doctrine-**{so to bring  
esteem of glory prominence and praise to themselves**. Where in-  
turn being those to have wrongfully demonstrated themselves as  
in appearance of The Lord God and those of the many others  
long before belonging to The Lord God Household-**{where**

being such determined by The Lord God as blasphemy against Heaven. For The Lord God to clearly warn as voiced {from{Deuteronomy 4:15-19..“But beware do not defile yourselves trying to make a statue of God an idol in any form whether of a man woman bird a small animal that runs along the ground or a fish or worship the sun moon and stars}. But where in-turn from that being those before a stubborn rebellious lot of people thus to do as he please through consequence the many man descendants those later succumbed of depraved spiritual understanding thus unaware to put out the fire that to consume the many others to be entrapped of burning flames but instead being those to turn away believing of not their concern. Thus where in-turn being such the man whom to have succumb as in same the other man the ancestors being those in benefit also gained of the privileged earthly glory and honor from that of another man whom to have been wrongfully indoctrinated as so to believe of that shared such to be its truths. But to be all rendered of theft being that stolen belonging to another-**{their ancient heights.**

THE HOLY SPIRIT SAYS ..In-turn to be that of **Satan third measure** formed in clever reasoning- {the season to bring forth growth- {his harvest. Thus when to be that surmised to come against the man **Alexander the Great** whom through suggestion of Satan to be the man in-turn determine of battle against the Arabs- {the House of Shem. Where in-turn **Alexander the Great** and his many warriors travelled across the heat of the desert and through consequence the many warriors of its majority while within the desert wilderness being whom died from thirst and starvation. Thus as such to succumb of Satan plan of reasoning. But before the man **Alexander the Great** to nearly succumbed to death from the desert harsh heat he to have been personally presented of Satan presence as that in same done of Satan

through clever strategy of performance when as greeted before against The Lord God as voiced {from{**Mattathiah/Matthew 4:1-11..“When Satan to tempt The Lord God in the desert wilderness offering Him the kingdoms of the world if to worship him**}. Thus to be where in-turn Satan to have within the desert offered of negotiated pledge to the man **Alexander the Great**. Being of that in same offered before in the desert to The Lord God but its reply by the man **Alexander the Great** to Satan arrangement to have been that done in contrary to that in reply to Satan being given long before of The Lord God. For the man **Alexander the Great** to be of Satan pleasant acceptance. Where in-turn there afterwards Satan then to allow a spring of water to form in the desert so to replenish the man thirst and to then send forth others carrying bread and meat. Where in-turn the treaty such achieved through the negotiated acceptance of that later to begin so as to bring the British colonies to its world power and of those to later follow in their legion-{the children.

THE HOLY SPIRIT SAYS ..Therefore of all before in wickedness cleverly demonstrated by the new earth king Satan and of that being today of witness to have demonstrated all before being of major success as that prophesied to occur as voiced {from{**Daniel 9:26..“A king will arise whose armies will destroy the city and the temple**}. For of that to have been done against the Temple to have succumb through time being those **the man-{the city** formed of the tremendous Masses of the man eternal punishment being that to render of The Lord God Judgement within the man pit of suffering. The Lord God do not lie of that to occur.

THE HOLY SPIRIT SAYS ..In note of reference there being of another as not be left out in that of wrong done in same matter similar to another-{**Alexander the Great**. For of that to have been performed of Satan long before so to achieve wickedly of

his success through the Chaldean nations is such to have been of the present in same performed by the Anti-Messiah where as to have occurred within the same environment- {**the desert** as before of another. Thus being done so to achieve of his new found kingdom reign being brought to its success where as in his wicked agenda to accomplish his goal. Where from such to have been the man **Saddam Hussein** when before hiding from his enemies and whom in terror and being without enough water and food to sustain. When than to have in same to be the man presented of personal presence of the Anti-Messiah and greeted of the same former offer before presented by Satan to the other wicked man- {**Alexander the Great** in his too time of terror and trauma. Thus where in-turn the man **Saddam Hussein** to have as in same to be like the other- {**Alexander the Great** but this time being that of the Anti-Messiah pleasant acceptance. Where from such to have been the man presented of his treaty through the negotiated acceptance and awarded of favor being that shared of the Anti-Messiah his power and strength where once to have been negotiated in agreement to than have canceled that of Satan former treaty with the Chaldeans all except the **Greeks**- {those belonging as Satan children. When in-turn there afterwards to be the man **Saddam Hussein** whom to be voiced of the Anti-Messiah he to be as a criminal handed over to his enemies and in-turn executed by them but from such to be its rendered sacrifice so to allow why of purpose he to render of judgement against a people whom murdered his son. Therefore of that to have formed of its initiation contract treaty to represent the power and strength of a great people- {the Chaldeans to fall as before similar of Rome and where in-turn under the Anti-Messiah reign the power and strength through the treaty formally made of Satan with another being that transferred and extended to the Households of Ham and Shem. Thus being as in same before of wicked agenda by Satan conspired against Rome power and

strength upon than being transferred to the man British. For nothing to change of pattern because the man as before heart is Dark always full of wickedness and hatred and greed therefore being the man easy to manipulate of term. Thus the man **Saddam Hussein** to have done such his ancestors to have never done. As voiced {from{Ecclesiastes 9:18..“**Wisdom is better than weapons of war but one rotten apple can spoil a barrellful}**).

THE HOLY SPIRIT SAYS **..TAKE NOTE ..**The many man to reason the man **Saddam Hussein** to be of the world man made **Islamic** belief and therefore since the Anti-Messiah to favor such the man **Saddam Hussein** he too must be of such religious belief. But the man need understand **Saddam Hussein** and the man **Alexander the Great** to have been both men formed under the same statement upon that as voiced- **{to have done such their ancestors to have never done}**. Thus to represent forming of treaty with an evil spirit. For both man are those specifically to have known such to be of that when in conference negotiation to be whom entertained by the new earth god king Satan and then later of the other man being it the new earth god king the Anti-Messiah and thus the man not being spoken to by The Supreme God of Heaven-**{the men both to not have been absent of its truths but feeling it of privileged their destiny}**. In-turn both men to have been those selected by Satan and the Anti-Messiah because such to be the men born gifted of sight thus being in allowance to always witness that of the spirits. And where in-turn those both being kings over their land-**{thus whom through spiritual rule in allowance such to be the man as a king to represent through treaty all man of their Household}**. Thus in-turn from being both the man gifted of sight and as a ruler over many people to have succumb both the man believed to be a child of the gods. **Where in-turn whom of both men to not fully follow of path to those of their ancestry}**. For such the

men to believe their power strength and prosperity to be that gifted of the god whom being their father. Therefore such the man to be in the obedience voiced to them from the wicked spirits where believed of both men to be such of all suggestions coming from his father- {A god. For both men to be Anakims- **one** the child of Satan and **the other** the child of the Anti-Messiah. For as that formally reviewed such to be those both the man whom to have carried the mark- {**being the man in obedience to the wicked spirit whom termed the Anti-Messiah or that being Satan those such the man selected as their children and whom are those the man diligently to follow of suggestions. Thus in-turn being those by the Anti-Messiah or Satan specific target of close watch and the man whom guarded of spirit by powerful diabolicals. Being such the man whom of no possible change- {for such the man he is an Anakim. Where in-turn as Willed of The Lord God the man present fate is sealed- {for such the man being as exemplified position to the Anti-Messiah in delivery of task as that to ensue similar to ...The False Prophet. For the man of such to have been born upon the earth in purpose of the Anti-Messiah or Satan so to be used for the specific task.**

THE HOLY SPIRIT SAYS ..In-turn there to be only one Supreme God of Heaven and all Holy Heavenly Royal Decrees are set in Authority by The Almighty Father. Where in-turn to have been those set of standards of that in obedience always to follow Commanded of not only the earthly man but as long before of **all** the former fallen kings- {the Anti-Messiah whom being the first earthly king and Satan and all the others within before their worlds where to have formally resided and all those the earthly Spiritual Guardians whom formally Appointed later by The Almighty Father upon the earth. Thus where being of its illustration to have been that followed since before the beginning is exemplified in performance as voiced {**from {Hebrews**

**3:5..“Being the man Moses Instruction from The Lord God allowed through its Illustration of that All formally Commanded by The Almighty Father of that in worship thus being that still to later ensue}. And of further note to be illustrated in reference to mention of that voiced by The Lord God {from{Yohanan/John 7:21-23..“Saying ..The tradition of circumcision is older than the Mosaic law}. For The Almighty Father Heavenly Royal Decrees to be its same example Commanded of all the others long before of that in same always to have been performed of Heaven. Where to be illustrated still performed in Heaven of present as voiced {from{Hebrews 8:2..“Where The Lord God The Sinless Priest ministers in the Temple in Heaven the true place of worship built by The Lord and not by human hands}. Thus of that as in similar being the Temple Instructed of the man Moses to construct as in replication of that being in Heaven and that followed of The Almighty Father Heavenly Royal Decrees in same being those the man Moses to follow and instruct to those he to have governed. Representing **The 12 Commandments**. Being all those as in same before the beginning Commanded by The Almighty Father all to follow of obedient standard {**The Heavenly Royal Decrees**. Thus the number **12** to represent **3** as to example the man in upon to follow of these Commands to afford him a season of comfort and thus to bring forth a pleasant harvest crop.**

THE HOLY SPIRIT SAYS ..Therefore all in Command Appointed by The Almighty Father to perform being that already known since before the beginning and where in-turn of all the others upon throughout their worlds to have performed such as required. For Satan and all the other kings to have been those of their worlds-**{High Priest**. But the rebellion of the former first king and then later of that to ensue with Satan Babylon and the other fallen kings to have adapted of change-**{for within the**

worlds they to all govern as kings and queen being those to have formed of indifference against that Decreed of The Almighty Father Authority thus being those through the rebellion to turn their Temples into **worship of defilement** where as instead of bringing any longer The Glory and Praise through those they to govern as their children to The Almighty Father such to be of those desired only the Glory and Praise esteemed to themselves.

For they to be those kings but being whom desired to be the **king of gods**. Therefore why of purpose for the man made religious institutions assembled by the man silly ideas to have been the behaviors suggested by the wicked guardians appointed governed over them so as to bring to the ruling spirit the glory and praise as a god. For the wicked spirits whom to govern the man to tell the man that being desired to hear therefore as voiced {from{2 Timothy 4:4..“**They will not listen to what the Holy Word of God says but to blithely follow their own misguided ideas}**”.

THE HOLY SPIRIT SAYS ..In-turn of that to be understood in why of purpose the certain man to be those selected by Satan and the others of certain race Households to be in its reason for in the beginning before Adam and Eve there to have been the first Creation of The Almighty Father thus being those Created as in same today the man of the identity to all races but being the man made in difference to the earthly man later whom Created by The Lord God in regards to power and strength. But being still the man whom in the same identity to all races of before Created by The Almighty Father thus to resemble those of Heaven. Where in-turn being upon than Satan and the others within their worlds from The Almighty Father new Creation being those to choose the man that to resemble them. But from such the man chosen of the new creation whom to be those governed by the Heavenly kings to be represented as their children therefore the kings to have chosen the man whom they to resemble. Thus in-turn upon

The Lord God to be Appointed Creator and to form of the man Adam and through the man to be created the woman Eve such to be of The Son-The Lord God to perform as in same like The Almighty Father where as to Create all man of all races as in same of before but in contrary to the others The Lord God selected the man those of all the races of His Creation to be those **all His children**-{for The Lord God He being like The Father-{the man Creator. Therefore The Lord God instead of only creating those of His resemblance He to have Created all races as before The Father-So as to be those **His own**. Thus after the sin of the man Adam and Eve The Lord God than to have handed over the rebellious creation to the queen Great Babylon where in-turn she to have selected of those to govern the man known as those to belong to her and in reason of that formally being before to have always occurred-{being those the man chosen of her similarity-{for such to be those as her children. Therefore why of purpose she to choose those from the House of Ham and Shem for Ham being those of her resemblance and Shem being the man those in resemblance of the one whom she to still love-{**Her Lord God** and thus being those the man Shem of former resemblance to her destroyed former mate-{the present Anti-Messiah. Therefore Great Babylon she to only be enacting of behavior that formally already within her through tradition performed as before all the others. For Babylon and the former destroyed mate both long before to have governed as king and queen upon the earth over those the man like themselves-{**Ham and Shem** being as their children. In-turn upon Satan and the others to be cast from their Heavenly worlds and removed from the Grace of Heaven and stripped of all Heaven titles thus being then Satan as the new earthly king to take of favor those of his resemblance being-{**the Greeks** and those all the other fallen kings to do as in same appointed by Satan whom to be Guardian kings over the man in their resemblance. For such to be those through performance still

enacting out of that formally already of preference done in tradition within their former worlds. But being those whom now in doing so gathered in very tight assembly together within one tiny small world instead of their before separate magnificent massive large kingdoms. Thus being why such to allow of the many wars. For the wicked kings and their spiritual children are those to govern over the earthly children belonging to them.

Where in-turn sometimes through angry disputes between another are those to form of battle with another spiritual king and his family thus through enactment to use the earthly man as though in stage of play exemplified as a chess game set in an arena and through performance to settle of terms. Being why such to be voiced by The Lord God {**from{Mattathiah/Matthew 24:6..“When you hear of wars beginning this does not signal My return. These must come but the end is not yet}**}. For such to naturally occur because of the wicked kings and their spiritual children congested tight fit. Thus being why when after the wars the earthly man to form together with the other enemy reconstructing of the damage done. For such to have come of reason in alliance with the fighting spirits and where in-turn they to have ordered the earthly man as the slave to clean-up the mess.

THE HOLY SPIRIT SAYS ..Therefore such being why of purpose the Anti-Messiah to recognize and only favor the man of his remembrance for from such the man are those considered by him through tradition as those his children and as the man king god and father from such to feel of its his obligation to care for them-{for such the earthly man being those believed by him and from such represented as his children and therefore whom must represent his royal Household status. Where in-turn why of its purpose Satan to have cleverly staged of before performance so being upon the wicked spirit return such to be known he to enact of extreme furious hatred and desired vengeance against Heaven thus being that done through another after viewing his children

their severe horrible neglect sustained against them while he to have been imprisoned.

THE HOLY SPIRIT SAYS ..For the Roman Empire those before of leadership whom to have appointed the man of task as religious scouts so as to be sent throughout the world to gather of all nations through its congregated manipulation and where n-turn those the masses to have shared to another through the new biblical transcript. From such through consequence succumbed the multitudes of man whom stood and those of present to stand in confusion to Holy reference of The Lord God Royal Decrees and all that Commanded of God for the man to adhere. Where in-turn of that cleverly surmised of Satan against The Lord God Creation to be of its consequence as voiced {from{Daniel 9:26..“A king to arise and destroy the City} thus to come of its prophecy. Where such being as voiced {from{Hosea 4:6..“The Lord God says my people are destroyed because they do not know Me}. Thus to illustrate of its Truths is that where being voiced of The Lord God as upon the Harvest to arrive of its terrible consequence as voiced {from{Isaiah 10:21-23..“Where being those only a remnant of them who will return to The Mighty God. ..Yet only a few will be left to return at that time for God has rightly decided to destroy His people. Yes it has already been decided by The Lord God to consume them}. Therefore that in-turn from the before treachery schemed of Satan wicked conspiracy done against The Lord God Word through manipulation to represent-{the destruction of the Temple-{The Lord God Word of Truths. Thus being that as illustrated of prophecy {from{Jeremiah 8:8..“Upon The Lord God to voice ..How can you say we understand His laws when your teachers has twisted them up to mean a thing I never said}. Therefore from that formally done in wickedness to succumbed the many men to have ensued

of the rebellious spirit against The Lord God through its pattern taught by route of wrongful behavior adapted in worship. Where as in consequence to have been and still continue being the man of spirit far from The Lord God His Mercy and Grace because of the confusion. And where eventually to have led the man by the wisdom shared of Satan the multitudes having obtained through behavior as voiced {from{Romans 1:21-23..“For yes they knew

**about God all right but they would not admit it or as to worship Him or even thank Him for all His daily care. And after a while they began to think up silly ideas of what God was like and what He wanted them to do and the result was that their foolish minds became dark and Confused.**

**Claiming themselves to be wise without God. They became utter fools instead. And than instead of worshipping the Glorious Ever-Living God they took wood and stone and made idols for themselves carving them to look like mere birds and animals and snakes and puny men}**. Thus the man

rebellion and confusion to be that in consequence against the many man today from that in sequence to have followed from the Roman Empire the man king James and the man Alexander the Great those before whom rendered in obedience to Satan suggestions. Where as to have caused those of present the many children of the ancestors being the man of multitudes to not understand the hidden secret in the why of purpose to yesterday. For all that to have been formulated long before of manipulated strategy its truths to be as a treasure hidden. For upon if such to be revealed being its threat still assumed of many another to be such reasoned to break down to that of long before established-**{the torch of power held of a people**. But where in-turn from the lies to have fostered the man descendants from that viewed believing a lie to be its truths thus where in-turn to have succumb the many man from no understanding as voiced {from{Jeremiah 7:28..“Being those the man desiring not to be taught whom

**desire continue to live a lie}**. For in-turn of that to have been wrongfully indoctrinated of another through the paintings and statues and that portrayed to represent those of Heaven from such the man when in same similarity of that to witness being the descendants literary thought believed such to be of its truths that his Household being- {those the children of God favor. And then upon another man when to view but not recognize of his own similarity where in-turn to be treated harshly by the wicked man whom being in Heaven similarity the man of the anger and harsh treatment being those thus to believe those to be shown in representation appearance of the former and of all Heaven being- {the children of the God favor. Therefore through consequence such the man of bitter anger whom having been treated harshly thus to thrash against The Lord God. For the man of the harsh treatment to have been that extended by the man viewed of that represented of Heaven similarity. Where as in-turn from the man consumed anger being whom of spirit to form in hatred against such believed as the other man his personal God. **Thus being Satan former conspired treachery obediently rendered of another man those his conspirators whom long before assisted in his treacherous measure so as to destroy all man because both man to be those through consequence sentenced to the pit.** Thus from such being the Mass multitudes of man those to have died and when being than in the pit to be those of spirit formed of the truth. Where in-turn being today now that the treaty is canceled of Satan with another and through the man present trauma and struggles ensued such the Chaldean nations those the multitudes believed of that taught by route to be those in God similar appearance and as therefore of His favor and since being those carried of the world torch thus from such to be that reasoned to be its truths. But though in consequence of a lie is such presently being encountered of loud voice in the confusion and fear spoken by the many Chaldean youths whom

literary crying out saying- {What happened The Lord God use to favor us ..what happened.

THE HOLY SPIRIT SAYS ..All to be why of purpose those the many man descendants from the Roman Empire such a nation whom before lit the flame of shared untruthfulness are the many religious men of their decent whom are those today exposed to the public as rapist and thieves thus to represent **The Lord God awesome vengeance** against of that before done of the man ancestors when those of the vicious treachery to have formed in blasphemy against Heaven and The Lord God. Therefore where as in-turn being it Willed of The Lord God to be those the children exposed as their parents- {the rapist idol worshippers and thieves. For the man present to be those the multitudes of its literal crime and guilt and where in-turn to mimic the same crimes exemplified of the parent long before- {those committed in the spiritual. For that transpired of the former treachery by the ancestors to have been the spiritual rape against the man where in-turn defiled those the mass multitudes of The Lord God view and whom are those from such the multitudes sentenced to their pit of suffering. And where also of those the ancestors of before whom stole another man their ancient heights thus so to bring the self idol worship esteemed of glory to themselves. Where in-turn all being it Willed of The Lord God through His **awesome vengeance** that exposed of its reality against the other- {thus being the man exposed to his trait of wicked natured spirit shared inherited from his ancestors. For the man of descendant to have committed of the same crimes so as in same purpose to obtain the pleasure of seduction through another innocent. And being such achieved as in same before by the others when through the Word of The Lord God and using it as the testimony of lies thus such to hide behind while being as a prostitute so to lure in its victims as in benefit so to obtain that being wickedly desired- {the

hidden seductive pleasure. Therefore being whom the man those multitudes exposed as in same example to his former ancestors- **{a rapist idol worshipper and thief}** the man whom to sell of his soul so to keep his thirst of glory and fame replenished and so to keep fed of his elegant leisure. The Lord God do not lie He Promised His awesome vengeance- **{through exposure}**.

THE HOLY SPIRIT SAYS ..For each man is addressed of exposure to that being deserved be it The Lord God Wrath or a Blessing. For each man as spoken by The Lord God to receive of that being deserved- {where in-turn to be that in term addressed also in reference to The Lord God. For in the end The Almighty Father has acclaimed The Lord God to receive of that He deserve as voiced **{from{1 Corinthians 24-28..“Where death will be defeated and The Almighty Father to put down all enemies of The Lord God being those destroyed and beneath his feet}**. Thus to Represent The Lord God to receive of that deserved.

\*\*\*Where in-turn Satan to say- {you reap what you sow- {and from such to be it carried through of that destined against him prophesied **{from{Revelation 20:10}}**-Thus whom to receive of that in same-**The Lord God Judgement against that in wickedness he to have sowed**.

\*\*\*And the Anti-Messiah to voice- {what goes around comes around and from such to be it carried through of that destined against him prophesied **{from{Revelation 19:20}}**-Thus whom to receive of that in same-**The Lord God vengeance**.

\*\*\*And there to have been another Ancient Babylon whom to have voiced- {deliberate evil need to be punished and from her performed deliberate evil before demonstrated to have been justly served in punishment by double just measure prophesied **{from{Revelation 18:6}}**. Thus whom of The Lord God

Judgement against her crimes being it reasoned- {deliberate evil must be punished. **Therefore that to be spoken is such to occur.**

\*\*\*

THE HOLY SPIRIT SAYS {from {Jeremiah 8:4-7..“The Lord God says ..When a person falls he jumps up again. When he is on the wrong road and discovers his mistake he goes back to the fork where he made the wrong turn. But these people keep on their evil path even though I warn them. I listen to their conversation and what do I hear. Is any one sorry for sin. Does anyone say-What a terrible thing I have done. **NO** all are rushing Pell Mell down the path of sin as swiftly as a horse rushing to the battle. The stork knows the time of her migration as does the turtle dove and the crane and the swallow. They all return at God appointed time each year. But **Not** my people. They do not accept the laws of God}.

THE HOLY SPIRIT SAYS ..The many man are those whom cannot believe because the man those of multitudes are blind and a liar for such the man to read as voiced {from {1 Corinthians 2:9-16..“That **The Holy Spirit teaches God secrets and shares of all that of Heaven}**. But the man being of the multitudes are of faked ignorance whom pretending not to see or those the many man having no interest or those of the masses whom blind. Where in-turn all three being the man shared of Satan wisdom. Thus as in-turn being those such the man eagerly in obedience quickly to surrender to Satan suggestions of shared wisdom. Where as in-turn through consequence being the men to not be shared of The Lord God Wisdom because the rebellious man being whom desire in follow to that only spoken of the world.

THE HOLY SPIRIT SAYS ..But the man whom to repent to be those Appointed of The Holy Spirit where in-turn to be the man as spoken of The Lord God Truths whom such the man to be shared of all Heaven and The Lord God. Thus being the man then whom to realize of that shared by The Holy Spirit in matter concerning of that before surmised of the other treacherous man long ago when believing as to rid of The Lord God Truths by fire that in-turn being those the same Holy verses still intact but those only shared by The Holy Spirit through its understanding with only the man of obedience-**{the man to Repent.** For The Lord God Himself as to voice saying **{from{Yohanan/John 14:23..“I only reveal Myself to those who love me and obey me and My Father will love them too and We will come to them and live with them}**. And such also to be as voiced **{from{Psalms 25:14..“That friendship with God is reserved for those who reference Him with those alone He shares the secrets of His promises}**. For to reverence being whom the man in demonstrated obedience to all Commanded of whom he to reverence.

THE HOLY SPIRIT SAYS ..For the man in obedience and to have repented being pardoned of his sins to also be such the man privileged to witness **Literary** The Hand of The Holy Spirit as to be it viewed to erase of certain passages throughout The Holy verses or to write in of new Holy verses those never before seen thus at first being such to terrify the man and at the same time bring magnificent amazement with screams of joy. But the many man those of the multitudes do not believe of its Truths-**That The Holy Spirit teaches all God secrets and shares of all that of Heaven-**{therefore being those not allowed to view. The many man being those whom not understanding The Lord God is in contrary to Satan and the earthly man-{in that The Lord God do not lie nor NEVER do He change in all that to be

Promised and No one and no man to EVER outwit The Lord God. Thus being The Supreme God to do as to be spoken whom to only share of His Secrets with the man of His obedience- {not just the man to be worn in robes laid of glory and held of a top hat layered with jewels or such the man tagged of worldly distinguished religious titles. Though in-turn the man those of the multitudes whom when once to reason of this truth are those through jealous stubborn resilience being then so another to assume as such to be the man one in communion with God and The Holy Spirit the man to form of his own silly ways of what The Lord God is like and from such to sin. Thus whom to end up the man believing getting away with many sinful things because The Lord God has not acted in haste against the man wrong behavior. Where in-turn from lack of God response the man to eventually believe all in wickedness to have enacted against God or that another to be it forgotten or maybe perhaps believing The Lord God being in its agreement- {because The Lord God to not have acted against the wrong. But such being those the many man not in unison with The Holy Spirit where whom of such being the man appointed The Holy Spirit He to always barricade of wrongful actions formed in temptation against the man and to always share in immediate warning to the man of that being within the man spirit thus desiring of intent to render a wrong thus where in-turn the man to quickly run from evil thoughts. And upon if such the man to have committed of a wrong being the man by The Holy Spirit immediately brought to stand attention thus to be IMMEDIATELY made understood of its consequence. Therefore such the man to not form of self illusion of why of purpose The Lord God has not responded.

THE HOLY SPIRIT SAYS ..Such need to be it understood The Lord God He do not act quickly to Anger. Where in-turn the man of clever performance is such being it Willed of The Lord

God so as to use the man performance in remedy against him later. Where in-turn the enactment as demonstrated from the wicked man against another- {its treachery to be exposed later against the man as ridicule. Being the man his own judgement of prophecy thus to come against himself of that before he eagerly performed wickedly against another.

**The following** is as Instructed by The Holy Spirit to be shared so to allow shown of example how the man belonging to The Lord God in obedience to be those warned by The Holy Spirit of that surmised being formed of wicked agenda to come against. Where upon such to be shared of any plot of wickedness placed in strategy so to ensue of performance through the assisted demonstration by Satan earthly conspirators so to entrap thus from such bring the man to final destruction. The following to be its example illustration in matter of myself of such being devised by the wicked spirit and to involve those of many others where being presently surmised of wicked tactic in intent believed to cause major destruction. Thus shared of vision by The Lord God and interpreted by The Holy Spirit.

**In The Vision..** I to be in my home as in hurried assemble to get thing in order. There was no confusion but I being as though in preparation for an event to prepare the home for a visitor. In-turn I to receive a phone message informing me the child I being responsible for to be needed of pickup at 2:30. I then to look at the time and then to reply there is no way I to get there on time for its already 2:30. I then became frantic thus believing the child to be depending of my being there for his safety upon his arrival. I then left hurriedly from the home but I to be of travel on foot and the place known of the child arrival for pick-up to be so far away. But I regardless in stubborn frenzy to continued walking of

path until eventually becoming very exhausted and of the spirit to come to reason thus pushing aside of theory ever reach the child in time. Where in-turn I came to a stop and stood thinking when then suddenly to arrive a car whom the driver to be someone that lived within my neighborhood and where in-turn offered me a lift to its destination so to retrieve the child- {being then I discovered the destination not being so far in distance from where I to stand Once the driver arrived to its destination I then quickly jumped from the vehicle and in a mass hurried panic to run to receive the child. Where such to appear as though an apartment home being a structured three storied high brick building. I ran quickly up the leading steps to the front entrance and noticed the entry door to be wide open. Where inside the hall to be very dark and only the inside staircase being covered by a faint light just enough to view the staircase. I was not enabled to see anyone but only to hear a voice calling out to me saying- **{hes now coming down and to have been waiting for you.** Suddenly I viewed the child then to slowly pleasantly walked down from the top of the steps coming toward me and entered outdoors into the light. He being a small child as to appear about 7 years old with tight curly hair tinted of reddish hue and having a chubby round face and eyes those very large and to be of an olive skin tone complexion. But the child at first stood before me a brief second very silent but then I noticed his eyes being those to swell of tears and become full of sadness. I then felt guilty of my not being there for him when he needed me. But then the child his eyes to appear bruised though to have been struck by someone and I thought no wonder he to be sad as though crying. The child he then to speak in sadness saying- {the man struck me and to have done many defiled things against me. Inside my spirit I immediately was as though screaming and to be feeling tremendous blame because of being preoccupied with my selfish affairs within the household where in-turn being not there in its purpose of benefit so to render the child of safety from the

other man evil. The child then extended forth his arms for me to view the marks upon his hands and that upon his little wrists the burn injury left of reminder from a rope used to bind them so as the child being unable to eat. I then in spirit to become of frenzy and to kneel down quietly face to face with the child and looking directly into his swollen eyes those filled with tears and voiced- {I will personally handle the man of guilt whom to have done this terrible thing- {I promise. The child then to voice- {no its okay its to be handled by being still. But I felt of the tremendous guilt and that all to have been of my fault. Therefore in my own reasoning from the guilt to have felt in personal to bring of its remedy thus to solve the situation of my own. Where in response to the child I quietly voiced saying very slowly- {of such as this there to be no being still because I do not handle such as this that way but what I do for such as this is I to kick the freaking Ass thus is to be that done of the morning- {for in my reasoning deliberate evil must be punished. The neighbor that to have given the lift also viewed of the child extended injuries and sadly responded saying- {oh this is such a sad thing that someone have done. I then to voice- {it all to be in term squared about tomorrow. The next morning myself and the child and of our company to be another young woman as to walk in path of journey with us to the school. But I in-turn to walk ahead faster thus being eager to bring about that of justice. When arrived at the school the man of guilt to be whom to meet me at its entrance but I to stand quiet of that all he unknown to come against him. In-turn he to ramble on in lies about the child and how he to be so fond of him as the new arrival. Where as in-turn I enjoyed the more he to lie for such being voiced aroused of that to be the impending wrath awaited against him. The man walked along with me to the office front desk where being there I confronted with the three secretaries saying- {I am in urgent need of conference with the man over instruction. But all three woman behind the desk to demonstrate of behavior as though confused

and absent minded of their position. Where being such to further increase my anguish spirit. Eventually one woman to reply- {you need first to be issued an appointment as to meet with such the man of importance. I then to voice- {where is his office and then the woman to point of its direction where in-turn I then turned walking within that direction to do as needed done. The woman at the desk then to scream out- {you must not do this you are not following the rules. I quickly turned in the direction of the front desk facing all the woman and from such to illuminate from my presence being that felt as through a hurricane storm approached and I voiced saying- {stop me if you dare for I do not follow your path. The three woman to quickly jump back away in terror and soon immediately resumed in their same task as before of absent minded behavior as though nothing never happened. The man of guilt to then question of why my urgent visit to the principle and I finally voiced to him- {you are its main attraction therefore do not walk away come along of journey. For before in that of your pleasure done of wrong against one to be of innocent to be such founded against you a deliberate evil and you to be presented of guilt. In-turn as we walked along the path of the hall the principle son appeared and greeting us in laughter but being one too as in same behavior to the before secretaries though of more absented minded demonstration. For all being those appeared just wanting to play as children. The young man to voice- {my father is in his office. I then approached the principle office and he to be a very huge large man but crippled and seated within a large wheelchair. I then to explain of that to have occurred of the man standing at my side of that he to have performed against one being innocent. In-turn the principle in behavior to act in explanation of defence of the man guilty. And I then to use my phone and to loudly call of operator assistance to the policing authorities. But quickly the principle to voice please lets not do that we can solve this quietly between ourselves let us go outdoors in the private to take care

of the problem. When guided outdoors to a secluded area I then to witness the small boy and that being the young woman way up in the distance lingering down the road as though not desiring to come near but I then to have noticed the young woman to be the former daughter standing there at the child side. In-turn I voiced out saying- {hurry over here so to be a witness of that to occur. I then turned and to face the principle and screamed loudly against the guilty man who stood there as though frozen saying nothing while being addressed of all his hand to have done of wickedness where in-turn eventually through a force unknown I approached the man and began to strangle him and with an unearthly power then to thrash the man to the ground there was no blood but the man to not arise. The principle to just sit crippled with his head hung bent in silence as though praying. I then to feel all to have been taken care of for the deliberate evil being that to have been punished. In-turn I walked away over to the boy and the former daughter saying- {I am now very tired and me must find a way to get a ride for I cannot walk back home. Suddenly a car to pull up aside the road in offer of a ride. I accepted and we all gathered in the vehicle back seat. I could not see the driver but only the very top portion of his head. Eventually the driver near approached a red traffic signal where on the corner at the light to have stood a very tall proud looking woman from the Household of Ham and whom to be dressed as though of prominent position but whom to be looking across the road as though unable to cross in-turn the driver instead of stopping at the red signal he to have swirled around it as though angry against it and in rapid speed continued of journey. I became fearful knowing suddenly within my spirit to be of trouble and my life and the others to be of its danger- {for I felt in all to have done so to remedy the child maintained safe yet of my own hand to have placed him in position of jeopardy. In-turn the driver began bragging with pride of all viewed he to own and began pointing in all directions as to identify saying- {look see

over there the gangs they belong to me and the gang those over there called the reds- {those I too own. And suddenly he burst in a scream of laughter saying All is mine Everything. The man then to stop the vehicle and quickly turn of his seat so as to be face to face in direct contact of me and holding a weapon against me in a threat to render harm. And suddenly I knew who he was thus the same man whom as long before myself to have held of a weapon against him but to have shot him through the lungs. He was the wicked spirit. He then to voice saying- {you know of this time for you there is no way out yet while he to be speaking to me he just kept laughing as though extreme joyful and then to say- {Now do not try explaining and to start of the many tears because such all will not work. In-turn he just continued to keep laughing against me. He to be a huge black man tainted of Arab and I wondered how could he possibly be enabled to fit in this small vehicle. For the vehicle and his size made him to be viewed more hideous. I in-turn sat being quietly still and for the first time to just watched his behavior and listened to him brag and ramble on- {for he so loves to brag. And for the first time to realize this wicked spirit to be completely completely completely insane and extreme wicked. I then quietly voiced- {I needed to remedy of that wrongly done of the child but such to be felt and known he did not care about the child. And while I spoke he to never take his stare from me but then after I completed my address he loudly burst of laughter against me while still to hold the gun pointing in my direction he then begin explaining of an event that to have occurred against him of another time in matter like myself long before. I knew the man to destroy me. The child sat there at my side huddled behind me very fearful and the former daughter to be at the door edge as though transparent but whom watching all occurring trembling in fear. I then felt if the former daughter and the child to quickly in turn leap from the vehicle I to use my body as a target shield thus being that to appear the wicked spirit agenda thus as myself to be

made the target. For it to be as though that being his desire as for myself to jump in front of the others shielding the innocence as a sacrifice. I suddenly realized all to be occurring being a vision and felt its only escape was to awaken.

**The Holy Spirit Interpretation** ..The Holy Spirit says ..of the vision such need to be understood its coverage to be exemplified as when upon The Lord God to allow of you to view that being of another man his thoughts- {of that being thought conspired of the man secret intent to do evil. Where in-turn the shared vision to be as in same being shared where in-turn allowing you to literary view the thoughts being those joyfully reminisced within the spirit of the Anti-Messiah of that in his thoughts to be planned of your capture. For all that being covered within the vision starting with the appearance of the child to its end to be the wicked spirit- {literary his thoughts of what being assumed to enact and be spoken. For the wicked spirit to estimate by your before former behavior concerning in attitude being the man whom hold great loyalty to protect of those the innocent entrusted to you- {thus as before to have been demonstrated of the former daughter but being that of present he to device of plan against the child Judah to be of circumstance more assured to ensue your capture. Because of your present harbored guilt of that before done against your Lord God and from such being now the deep passionate love toward your Lord God. Therefore all to be assumed being a great probability such to bring success. For in-turn to allow of leverage he being remembered you as the man being fierce of spirit and quick temper the man since the beginning of time whom to reason by slogan- {**deliberate evil need to be punished**. Therefore all that being devised of his plan as determined by him to arise of the magnificent success- {being why of that viewed by his thoughts he to in constant yell of laughter. Thus all to have been allowed of The Lord God as you to actually view of that within the wicked spirit mind as to

witness within his literal thoughts of such to be pleasantly reminiscing in that when believed of your entrapment being that all except the coverage during its beginning. But being that upon the arrival of the child and thereafter being those the wicked spirit thoughts. For the wicked spirit to know if you to enact through performance of that he to devise as before done of the former daughter thus so to remedy the problem yourself of that being targeted to occur such to be of your final destruction.

Where in-turn being then not a vision as to awaken from but such to be of its reality- {your destruction.

But you to not need of worry for The Lord God to have barriers all set in place. But such being the warning shared in plan of the wicked spirit to be that obediently demonstrated through another earthly man and from such being surmised to flush you out The Lord God Mercy and Grace- {The Household. Thus being why in its purpose The Almighty Father to have allowed of Myself The Holy Spirit to extend to you of the new gift. Where in-turn you now to literary know of that by sight the many man by their mark instead of merely discerning of the man path by the spirit. Thus being such its leverage a spiritual defence as enabled immediately to recognize of the man fate identity. Therefore of that exposed from the man to bring within your spirit its comfort knowing of why of purpose to the man behavior where from such to release the former distress concerned of man behaviors. For the many man can play of illusion through performance but the mark voice of its truth.

All to be fine ..for you are of extreme Guarded protection but this time of your spirit when of the child in contrary of the former daughter you must be very careful.

**The Holy Spirit says ..Within the vision the home hurried assemble getting things in order to represent- {Your anxious wait thus to be in preparation for the child Judah arrival.**

\*\*\*

**The Holy Spirit says ..Within the vision when in receipt of a phone message informing the child you being responsible for to be needed of pick-up at 2:30 and then you to look at the time and reply there is no way I to get there on time for its already 2:30 to represent-{'The unexpectedness of the child to occur without warning where in-turn the time to be that in representation of 5-{'The Lord God Mercy being that whom represented of the child.**

**The Holy Spirit says ..Within the vision when you became frantic and left from the home hurriedly on foot and the place of the child arrival to be far away. But regardless in stubborn frenzy you kept walking of path until eventually becoming exhausted and then brought to reason I to never reach the child in time to represent-{'of the spirit you have in faith believed in your long journey such of the child to arrive in your presence but you to have come within the spirit perhaps such to never unfold of its reality where as in-turn the stopping in the vision to be that of spirit as pushing the child away-{'for such to be felt hopeless of retrieval.**

\*\*\*

**The Holy Spirit says ..Within the vision when suddenly someone of familiar whom lived within your neighbourhood to give a lift thus to reach of its destination so to retrieve the child which discovered not far in distance where to be standing to represent-{'There to come in your presence someone in familiarly to oneself-{'a prophet whom to reside within the neighborhood. Thus whom to extend the assistance in given a lift to your spirit so you to carry on within the short journey for from that moment to not be far off thus to retrieve of the child from such prophesied of event.**

**In Personal note** ..And being such to have occurred from a neighbour immediately upon the entry of the above Interpretation. My Lord God and Holy Spirit is **AWESOME**.

\*\*\*

**The Holy Spirit says** ..Within the vision when the driver arrived at the destination and you to quickly jump from the vehicle and in a panic run toward where to receive the child to that appeared as an apartment home three stories high to represent-**{The Hospital where there you to be rushed in an hurry and from such retrieve the child and leaving home with him.**

\*\*\*

**The Holy Spirit says** ..Within the vision upon the apartment home door to its entry be open and from up way high above the staircase you not seeing anyone but only as to hear a voice calling out saying-**{hes now coming down and he has been waiting for you and the child then slowly walked toward you down the stairs and entered outdoors into the light being the child with tight curly hair tinted of reddish hue with rounded face and chubby feature and of olive skin complexion to represent-**{The child coming down from the womb thus to arrive within your presence being the child of spirit surrounded by light and being that of appearance as voiced from the vision as such whom to in actual resemble The Lord God of before upon the former earthly life. Thus to be that of the wicked spirit remembrance of The Lord God appearance. For of the wicked spirit the child Judah to represent The Lord God therefore he through memory to insert of such in reference.****

\*\*\*

**The Holy Spirit says** ..Within the vision when the child stood before you with his eyes bruised and filled with tears and to speak in sadness saying-**{the man at the place struck me and did many defiled things against and then the child to extend forth his arms**

and you viewed the marks from the rope to have bind his wrist so the child being unable to eat and then so as another to injure his hands. And in spirit you to became of frenzy and kneeling down close to the child looking directly into his swollen eyes those filled with tears and voiced- {I will handle the man of guilt to have done this thing. And the child then to voice- {no its okay it to be handled by another by being still. But in-turn you felt all to have been of your fault therefore in reason from the guilt to believe in need to bring personally the remedy to the situation where in-turn of voice responded to the child saying- {no there to be no being still I do not handle such as this that way but to kick the freaking Ass thus to be such done of the morning represent- **For All** through its scenario being that in its reminisce from the wicked spirit thoughts thus believing to be voiced and occur of your spirit. For in scheme as to unfold devised of wicked plot against you is he plan to ensue through another man in horror as to voice of chatter through extreme vicious speech against the child Judah when therefore afterwards such being believed by the wicked spirit you then to confront the issue with the man pastor- **{whom within the vision represented as the principle.** Where in-turn the pastor to be a man whom of the spirit weak and extreme crippled but whom followed by a massive crowd those of the many as sheep believing such the man as very important- {untouchable. Where in-turn the wicked spirit to assume of that you to view of his flock being those the man as absent minded in reference to The Lord as to be demonstrated from the many man performances and from such believing you then to flip of spirit and personally feel in need to remedy of the solution as to that wrongfully been done. For such All to be assumed you being as before thus to see such the man as an idiot toying with God and those sentenced to the pit. Therefore you being believed to ensue its bitter rage of your spirit as that represented in the vision upon- **{The woman at the desk to scream out- {you must not**

**do this its not the rules. And you then quickly turned in her direction and from such to have been felt of your presence being as a hurricane storm approached and you voiced saying-**{stop me if you dare for I do not follow your path.****

For the wicked spirit to know the man ignorance for he to presently be of its personal task selecting such the man for that purpose but he to also understand you being of full capacity within spiritual understanding-of the mass many things. Where in-turn the man absent minded behavior is such assumed to demonstrate those whom do not follow your path. For the man are those to apply of his own wisdom of rules. Where in-turn the wicked spirit to surmise all being that to come of finally upon when the pastor upon confronted of the wrong thus whom to try and hide of the problem when you to call upon The Lord God in his presence where within the vision to represent-**{when the call to the policing authorities** but where as instead the pastor to prefer rather in hiding of the incident thus being that thought of the wicked spirit to form of its finally. Where believing such to represent of your reasoning- {the pastor desiring as to hide from The Almighty Father The Lord God and The Holy Spirit being such a no no against you for you being one as assumed always- **{the tattler.** Therefore such is speculated to bring you of spirit extreme angry and disillusioned thus spiritually exhausted after all being to have already occurred where in-turn you to be as then in motive of spirit readied for the personal enactment to destroy. For such to be the man those of the wicked spirit choice already arranged in pattern to play of stage the many man those whom are completely lost and confused. Where being such planned as to occur upon the delivery within the world of the child. When then being that to explain from the long ago vision shared with you by The Lord God upon the child arrival there to be the many those surrounding around the hospital bed and when cleverly the wicked spirit creped quickly through the crowd and peeped

smiling at you and to suddenly exit from the room- {thus being that in event to represent his recent devised plan. **The treacherous entry to quickly plan the attack and smiling thus believing to be of its success.** Where in-turn upon the child arrival such to be reasoned you to hear the horrid slander thrashed against the child and in-turn view the child you carried of long wait his perfect innocence. For the child to arrive and upon his body carrying Mongolian marks that to appear as though bruises where in-turn such to be it believed of illusion within your spirit the child cries to be arisen in its consequence from that viciously voiced against him for the child to cry out as though in pain and then you to witness the marks and thus being thought to believe the child torment to be from the man treacherous vicious clamour. For of the time to be upon your body to be weak and exhausted from the event. Thus being why the wicked spirit he to choose of this moment in measure- {so in also to crucify your joy. For the child being that represented of your Lord God where in-turn the former guilt held of your wrongs before done against your Lord such to be voiced of the horrid remarks slurred against the child as though The Lord God again being again crucified. Thus being known of the wicked spirit of that before to have occurred against your Lord God to be as with you in guilt as in same before the man Paul where he too from such being the man before from the guilt always in constant behavior of The Lord God defence. Where in-turn your guilt and loyalty is that the wicked spirit to try and use of leverage against you- **{The former guilt.** Therefore such to be surmised you to do as in same before done of the former daughter thus being why of purpose she to be as presented within the vision going forth upon you and the boy journey and later whom she to be standing at the far distance with the boy. For such to represent- **{that of the distant past of same similarity to stand together thus expected to occur again.** Thus to represent

when long before you to have stood of the former daughter as in her defence upon her and the grandson when then viewed by you as those the innocent to have been from another subjected of open defilement and the humiliation. Where in-turn of her defence you before to not allowed The Lord God in control of the situation but to have felt of your own- {the deliberate evil need to be punished and from such upon your will and shared wisdom of Satan to have brought about the destruction of many man when being then those the man of guilt whom foundation collapsed. But where in-turn later Satan through his slogan felt against you when that of your punishment of all your loss because of your wrongs that- {you reaped what to have sowed. Thus being as in same the wicked spirit in his slogan reasoned of present that to occur against you as- **{what goes around comes around. As such to be illustrated within the vision- {when you to explain to the wicked spirit your behavior to have only been in defence of the boy and then he to loudly burst of laughter against you and explain of an event that to have occurred against him of another in same matter like that yourself long before.** For of before being of that explained he to remember you to stop his breath when of the Power shared with your Lord God you before through behavior as though aimed a weapon against him and where in-turn shot him through the lungs- {taking away his breath. Where such to represent as demonstrated the seats being now turned and he to be holding the weapon against you thus aimed at your heart so to bring you short of breath- {thus being of his slogan in reason of vengeance- {what goes around come around. In-turn **when that being viewed within the vision the former daughter to appear as transparent** to represent- {she to not be literary a part of the event but as to illustrate being only that present of spirit for the wicked spirit he to already have her spiritually imprisoned in

tortured watch of his vengeance of that she too have before done  
against those he love.

\*\*\*

**The Holy Spirit says** ..In its why of purpose within the vision  
the wicked spirit to be represented so very huge of statue to  
illustrate his massive power and strength contained and whom to  
squeeze within any thing made of man-{thus being that to  
represent enabled to adjust of fit to the man environment. For as  
represented in the vision **when he to swirl around pass the red  
stop light** To represent the earthly man are those whom cannot  
stop him or that anything made of man. Thus the occurrence to  
demonstrate in also he do not follow under that made of their  
rules being why he to swirl around the light continuing on  
straight ahead instead of going under the light. For he is a very  
very wicked king and to of present allowed in authority the  
control of everything within the earth and all man of his  
obedience claimed as his children as represented within the  
vision-{**upon he to brag of the vicious gangs whom harbored  
of the earth thus being of multitudes those the many man in  
obedience to his suggestions.**

\*\*\*

**In Personal Note** ..of that to have been mentioned of The Holy  
Spirit through interpretation voicing-{**The Lord God to have  
barriers all set in place** is such to represent of a vision when to  
have long before been shared to me by The Lord God but before  
being that known of the child existence therefore not fully  
understanding the event to be that readied of the present.  
**In the Vision** ..I and a small child and some other people to be  
moving along of travel through as though mountain terrain and  
we to approach a spirit that to appear as though a man but to  
look very hideous in form where in-turn even the vicious wild  
animals the demon to look upon being those to literary evaporate

into fluid as though to melt. In-turn I felt we to better get to a place of safety and then suddenly the environment to change and we to be in a place to appear as though a very large camp area but being as an arena but there being no bleachers and it being very dark outdoors but there to be then many men belonging to The

Lord God those head shepherds the pastors near me and the child. All the pastors to be in a group congregated chatting with one another and as though in spirit apprehensive as though the men in preparation waiting for something to occur. Suddenly from a distance to stand of plain view to be a Bull but none like that of earth ever to be witnessed but being such to appear as an humongous Giant its body to be as though made of metal and steel yet being of flesh and there to be vast amount of smoke driven out from the beast its nostrils. The giant strange creature in the distance to stance as though readied to approach of charge

against its apposition. But without word to one another the pastors being those quickly to form as a fence barrier around me and the child whom stood at my left side his tiny hand gently holding unto my hand. The barrier to be of many man but there to be those of a few at one end whom appeared weak and fragile while of the rest to be men appearing those very tall and strong of statue. Eventually the strange creature appearing as a bull to fiercely charge forward against the barrier and to first form in

attack against the men whom stood weak and fragile thus knocking them to the ground and I screamed out they are okay but to be injured where then there to be those of others in the background to come to their rescue but the other pastors to still stand of the barrier those very tall and strong of statue thus even

though the others to have fallen they to never leave of their position breaking the chain but to stand fiercely brave against the abomination. For the men very tall and strong of statue to know all to be the strange creature trick to throw of confusion when as to hit against the weak believing upon they to fall the others of

the barrier to go to their assistance thus to leave of an opening for it to ram through. I in-turn to notice the strange creature to be of major attention to the child and I screamed out- {it wants the child it wants the child. And suddenly the creature to charge once again against the barrier but to no avail enabled to knock the pastors down for such to appear as though the creature to never be able to penetrate close to them but in-turn stubbornly to keep charging against so thus to obtain the man to become feared. I then being told take the child over to the steps and lay him upon the third level where there he to be safe. **The Holy Spirit interpretation** ..The Holy Spirit says ..such to be of that readied of performance where in-turn being the many pastors to be placed of barrier against the attack devised to ensue. The many man those of heard shepherds whom appointed by The Lord God and of My-The Holy Spirit obedience are whom to stand watch of guard for any wicked performance thus to form of infiltration as to bring calamity against the congregation- {for the wicked spirit is selecting those the man of that to perform within his staged arena and such the man from the temple whom to participate to bring destruction against the entire camp when bringing all man within the Temple of The Lord God destruction as that in same illustrated voiced {from Joshua 7..“**When Zabdi grandson Achan to have stolen that which belonged to The Lord God and where in-turn such brought calamity upon all Israel. But the man Joshua as appointed by God as leader over the camp through his watchful eye singled out the man Achan as guilty and as Commanded of God being the man whom brought to calamity and through consequence those also among his family}**. Thus to represent the man being those belonging to The Lord God are not to entreat themselves of that to bring defilement against the Household- {The Lord God Principles do not change. In-turn the man those from the vision being whom appeared weak and

fragile and to have been knocked down from the wicked spirit  
fury to represent the man not in obedience to The Holy Spirit  
thus to be not shared of The Lord God Power and Protection.  
For the wicked spirit of that first he to do against the man of no  
obedience and faith- {the man of fear those to cling to that of the  
world. For from such devised against them to be his arm of  
message thus believing to cast fear toward the man standing tall  
fearless and of obedience and faith. For the man those in  
obedience to Satan and the Anti-Messiah are not all in same  
shared of power but being some whom as like a statue resembled  
of a lion with no face- **{thus to represent the man whom  
positioned having only the power to initiate the cast of fear  
through manipulation.** And there to be the others whom seated  
of the man guard a powerful diabolical whom **when of  
approach such to arise as in the man defence as a fierce  
growling lion thus to prance readied of attack.** But the man  
appointed of The Holy Spirit is whom Guarded thus those not of  
fear against the faceless lion or that to stance of attack- {for The  
Holy Spirit being always there to maintain of that being the  
diabolical whom to stance as a lion growling of defence of whom  
to govern but being whom to literary run in distance away when  
of the approach from the man those belonging to The Lord God.  
For such being the man shared of The Lord God Power through  
that Appointed of The Holy Spirit therefore being the man  
whom not enabled to be those their foundations thrashed  
shredded and ripped apart thus falling to the ground never to  
recover. For the man pardoned of his sins being then belonging  
to The Lord God Household and Appointed of Guard The Holy  
Spirit whom more Powerful then that being in the world- {thus  
being whom the man Massively Protected and always without  
fear the man of spirit to be humble as a sleeping lion but upon  
being aroused whom of Power shared with The Lord God to be  
fierce. When of that to be voiced saying- **{take the child over to**

**the steps and lay him upon the third level where there he to be safe** to represent you and the child as Instructed by The Holy Spirit to carried away sent off and formed within the wilderness for a season where no one to know you. But being whom you to then only share of that delivered through spiritual warning by The Holy Spirit to only certain appointed specific pastors those choosing by The Holy Spirit and of such in task to be that as represented in the vision- {when you to scream out in warning to those the pastors standing tall strong bold and fearless **he wants the child.** Thus represent through its spiritual delivery of that soon to be shared of your assignment in a nut shell being through The Holy Spirit delivered warning representing- {**The Anti-Messiah he wants The Lord God children.**

\*\*\*

**The Holy Spirit says ..In-turn of that you to address in reference to why the wicked spirit to appear in the vision as another but whom to not be in appearance remembered as before when literary seen to represent- {You to only presently view him through those represented of him- {the man of his favor for he to be no longer desired of your former recognition. For The Lord God is whom only of your viewed recognition. Thus being why in the vision you to not recognize him when in the vehicle or that in many other visions but to only to have done so when viewed of its danger- {when then to be it exposed through the spirit the approach of danger.**

\*\*\*

**The Holy Spirit says ..And also that to be brought to its understanding when in the vision- {upon the wicked spirit to approach the red light and there standing at the corner to be from the House of Ham a proud strong looking woman standing tall dressed in prominent attire looking over across**

**the road and he to swerve from her distance** to represent- {He to view such the woman as himself- {his daughters but are those whom stand alone yet being the princesses of his desire thus being those stopped and standing alone upon the curve by that made of man- {**representing the red stop light**. Where in-turn being those his lovely princesses whom believed of him are those like himself- {of prominent statue tall strong and beautiful but those his daughters being unable to cross over to that eagerly being viewed of them from a distance because of that prevented by man. Where in-turn being why in the vehicle he to demonstrate of his extreme hated demeanor against you for loving your Lord God and protecting that the child Judah you obediently carried and birthed represented of The Lord God of Heaven thus you forgetting about those you to have of responsibility for- {**His children** those from the Household of Ham and Shem and all the others he pointed out to you all belonging to him- {being also the man you to have thrashed to the ground the child of his obedience when you in defence of the child belonging to The Lord God. Thus being the man like those his many other children being whom to have been thrashed to the ground and his daughters the woman those his prominent princesses whom standing alone unwanted at the gutter. For all to be felt by the wicked spirit you to have abandoned and betrayed in assist as his mate to the children you responsible. Thus to have brought tremendous embarrassment against his throne.

\*\*\*

After being addressed by The Holy Spirit I then to have asked of The Lord God to allow of His blessing toward the man devised to form of the wicked spirit obedience. For I am assured not to participate within the wicked spirit stage performance thus to be arranged as to bring many man to destruction. I am Comforted in my Holy Spirit and my Lord God so in allowance I maintain

always being shown of vision and made aware through The Holy Spirit Interpretation of that devised to occur of evil against me. For of long before the many times disaster to have struck against me because of not being aware.

**The Lord God Contract through the Repentance is an awesome thing.**

## **The Recent Bombing in Boston**

### **The Why of Purpose**

\*\*\*

Before it being voiced of the above situation there to be as Instructed by The Holy Spirit to make note of the three visions to have been shared by The Lord God to me before the above its horrific event. Where in-turn to be all gathered of it interpretation by The Holy Spirit.

**In the first vision** ..I to be in the vision not as an earthly man but whom a spiritual deputy gathered with many other spiritual deputies belonging to The Lord God. We were all seeking to find the guilty culprit whom to have in an open area ensued of an shooting against many people. For we all to be of it known to have been the wicked spirit-the Anti-Messiah whom to have performed of the crime. In-turn myself and several other leading Heavenly officials to go down under ground into a darkened tunnel knowing the Anti-Messiah to have used such as in reason of escape. In-turn one of the deputies from above at the top of the stairs standing near an open door where inside to be flooded with bright light voiced-{he left a severed bloody arm laying here upon the ground. And I then to reply-{leave it there its only his message letting us know he being the one to have performed the act. In-turn we to gather in a boat that to be underground laid

upon black darkened water thus we all gathering in it going forth  
thus to retrieve of his capture.

**In the Second vision** ..I to be in a room surrounded by several other men that appeared of the FBI authority and a very angry man of spirit to be sternly interrogating me of a crime to have occurred. For the agent desired me to speak forth of a lie against another thus for me to point of the guilt against another man whom like himself that to work of position as a policing deputy.

The man kept badgering me to share of that seen of the other man to have done wrong. But I could not share with him of that I knew to be a lie. In-turn the man to seat upon me with all his heavy weight and I to feel he to hurt the child within me where in-turn I to feel as though being smothered where as in defence I to bite against his arm but such to appear as though not affecting him.

**In-turn** the scenery within the vision to change but I still being of the same environment of before but now only as a viewer within an outside room. Where such to be an office environment where shared of Satan and the Anti-Messiah. For both to be attorneys sharing a small office area of matters brought to them in concern of another. In-turn I to be sitting in a very large comfortable chair just viewing all to surround and the Anti-Messiah he to be standing very tall and huge near a large desk and talking to others as in always bragging of himself. But a woman whom very tall to soon approach him and to whisper saying- {Satan wife to have informed him she do not want you around her daughters. And from such immediately to have ensued of his rage but to be hidden behind laughter. Where in-turn he then to turn and stand for a brief second silently looking out the window down at Satan whom below in the complex yard where he to be conjoined with his wife and among those his many employees surveying over plans being constructed for building. Suddenly the Anti-Messiah very loudly while watching them to tell the woman of the whisper- {I know what they are

thinking there being no absent of thought but hand me the microphone so I to make a loud speech against the wife. In-turn I loudly snickered of laughter against him as though saying- {I already know what is going on. And from such he quickly to look over at me as if being for a second in shock but then to quickly change of demeanor and look against me as in extreme bitter anger and hatred. In-turn he to venture in another room that being shared of both him and Satan where to conjoin of their separate business thus to be an area extreme small and while sorting things upon his desk began again speaking loudly but this time being with sinister laughter while in-turn saying- {well he had just better get use to the situation for the present for we are both stuck within this tight squeezed area for a short while.

**In the Third vision ..**I to be only viewing of all events. Where of its first event I to be in an area where to be heard of conversation held between a young man and his mother thus the woman being not desiring the son to be with a person she not to have desired but the son to be explaining to the mother the young woman of his interest being not whom the mother assumed. In-turn I then of second event to follow the woman whom with an accomplish to a very large structured building but being not enabled to view their faces but only being those the feet of both woman walking close together as though very close friends. For both woman to be walking down the hall wearing dainty high heel shoes toward the young woman apartment so to ensue of harm against her. In-turn while walking the woman to look upon the hall floor viewing of that appeared as water but being the filth of splattered urine. Where in-turn the boy mother to view such being in horrendous distaste and feeling of her social status such to venture upon being below her standards where in-turn the woman feeling such a filthy environment represent the girl whom of her son interest. The young woman her apartment was gloomy and dark and all to appear as though she lived a meagre existence but of the young

woman appearance to not look the part of her surroundings. Thus being a young woman whom to be of a joyful pleasant spirit but unknown of her fate to occur. In-turn the two woman to kill the young woman and then one to go forth and quickly and trash all her evidence within the ocean. But the young man mother to have placed all her evidence within the home trash but to have later from panic decided to take the trash and do as in same done of the friend- {but to have found the trash when viewed to not be of her own but to contain a large fresh uneaten water melon cut in half and other debris not belonging to her thus then the woman to realize such to be the trash belonging to a neighbor which to have gotten mixed up with her own. The woman then to stand of great massive panic- {for of that hid within her trash when found of the neighbor she to be the one known of guilt against the hideous crime to have done.

**In Personal Note ..**The Holy Spirit several days later to inform me to view the present news upon the Internet site for I am Instructed by The Holy Spirit not as before to be entertained by the world shared activity of general television. I in-turn upon the site to be shared of view the horrific event to have ensued within Boston. After reading the obtained material chosen by man to be reported The Holy Spirit then shared of that to have occurred being as in reference to that contained of the three visions. Where in-turn being such Willed of The Lord God through His Power and Strength to be the information shared with the authorities as to achieve in its capture quickly the man of guilt so as to bring to the situation- {its closure for in purpose the multitudes their safety.

**The Holy Spirit Interpretation ..**The Holy Spirit says ..The situation of that occurred to be of its message to you and of that being addressed of the children belonging to Chadea. As that to represent to be first in message addressed to Chaldea **of those**

**the victims** to have died- {**the man woman and child**. Thus being that of note the Chaldean man whom as the victim being the a police officer is whom viewed by the Anti-Messiah to be in representation of all Chaldean men- {**those whom of assumed earthly authority over another** thus those believed by him to have stolen of such authority belonging to his sons. And the Chaldean woman whom as the victim is such viewed in his representation of all Chaldean females- {**those the princesses tender and delicate** thus those believed by him to have stolen of such title belonging to his daughters. And such viewed in his representation of the child- {**being those whom to enjoy the delicious sweets entitled to his young**. For all to have been that staged and arranged to occur as that spoken of his statement where in the vision- {**he to announce over the loud microphone in statement to be made against the man favored of Satan wife**. Thus being of its representation of the Boston event- {the loud explosion of his anger. For you yourself to know of his anger as that from the earthly former example when before you being under his spiritual submission and upon several Haitians to have ensued against you causing you to cry and from his immediate fury he then to have literary called upon the ocean and shredded the land of Haiti to pieces thus in attempt to alienate it but The Lord God to have prevented such so to allow of others a chance to come to Him before dying. Thus that to be of message through his anger to all Chaldeans from the Boston attack is that of voice- {**you will not of the season pass the finish line alive**. For such to be of his reason only the specific three to have been killed. For the **3** to represent the season but not that measured in same of man believed earthly standard wisdom but that of the time measured within the Heavenly spiritual. For the man those of multitudes to have left of The Lord God Principles therefore of consequence not aware of spiritual time awareness. Where in turn the deaths to message of that voiced- {**you to not of the**

**season pass the finish line alive.** Being of that he plan to ensue after the harvest when of the time- {its season being those of the Chaldean people under his reign whom in panic to scatter running screaming in fear from his explosion initiated of anger thus being of such time there to be no remedy of assistance from The Lord God.

For such to be why of purpose the wicked spirit to have selected the event to be carried out during a marathon and there being the three to die. For such to have been all allowed of **The Lord God** where in-turn of that through the event all man to be those too received of His message thus of the event **To Represent** the man his season race of time to meet the finish line to ensue of death- {being the many will not pass through as spiritual winners for of the wicked spirit he to ignite of his explosion against many before reaching such. For the man in seeing that to occur of trauma against another up ahead and from fear the man multitudes to turn back running the other way- {from God. Thus to be the man those later entrapped within the Anti-Messiah reign- {**as that represented of the blast area when being the man entrapped peeping outside his doors in fear.** And being that of message when of the Anti-Messiah reign there to be no communication with Heaven- {**for upon then the Harvest to have occurred-** where being that earthly represented upon the blast event- {**when the many man being those unable to use their cell phones- {thus being it thought to ignite an unknown explosive where in-turn left the man trapped of no communication.** For All to have been The Lord God too message so the man to Repent so to be Guarded by The Holy Spirit from the wicked spirit his angered fury and vicious plots. Thus to be the man without fear and Guided of The Holy Spirit and those whom to safely reach the finish line and get through.

\*\*\*Where in-turn of that being in message to you represent his voicing of assuringly being believed-**{you to not of the season pass the finish line alive.** For the woman and man whom killed are both to represent from him as yourself-**{for the man being a police officer whom carry of appointment to serve and protect the innocent thus being as in same your spiritual appointment- {whom being the man to ferret out criminals the evil spirits from the Lord God His Kingdom freeing the captives from the grip of the enemy.** The woman to be that to represent your spirit-**{the one tender and delicate** as that in reference to your new name given from The Lord God your King and Husband where being **Yeensai** meaning-**sincerely beautiful lovely Mine.** Therefore you as reasoned by him being his enemy belonging to Heaven. The child to have been killed represent the boy Judah whom you love and cherish and carry in obedience rendering feeding of yourself all to him the sweet delicacies of your spirit-  
**{as the milk of your breast.**

\*\*\*For the Anti-Messiah to be in extreme anger against you because of the whispers spit in his ear of that another to ridicule against him. For The Lord God has of your return and where in-turn whom you to diligently stand of your Lord God side in loyal devoted union with Him as His bride. And where also in-turn as viewed from the vision-**{Satan being whom viewed by him thus having his bride whom too as yourself being believed to speak of ridicule against him and whom also as yourself with The Lord God being she whom also to stand in loyal devotion with Satan in assist to construct of that surmised of his plans.** But the Anti-Messiah being whom to have returned from his pit of imprisonment but things being not as before for of the present he having no one of loyal standard standing of unity as his eternal bride as all the others. Where in-turn to cause major bitter angered rage from one whom of attention always favored as a braggart. Thus he too being aware his situational

predicament is that exposed for the many to view where as voiced from the vision upon he to say-**{I know what hes thinking there being no absent of thought.** For such as voiced to represent everyone. Where as in-turn from such to form of the severe consequence being that horrific to succumb against those believed an enemy. Where being a tiny example of his fury to have occurred in Boston and being that of him through statement as voiced within the vision-**{hand me the micro phone so I can make a loud speech against the wife.** Thus of the event to be the message of that loudly to have occurred upon the micro phone-**{his explosive anger from that to have been heard of personal whisper thus to bring ridiculed stigma against his pride.**

**\*\*\*** For the wicked spirit he to not love you and never have he only loves that being in mission to bring forth triumph to his glory where in-turn your absence to have placed a stigma against such. For long before he to have been given you as his bride whom you belonging personally as The Almighty Father His delicate tender princess where in-turn he to have used you as an article of benefit thus whom used to supply the need of his glory.

For that to have before achieved and believed his-**{article of benefit** where from such he to have thought to receive from The Almighty Father all he desired. Thus being than long before one whom seated comfortably bragging and ridiculing against another and the greatest envy of Satan and all the others. But as that viewed within the vision-**{he now in bitterness to stand silently remembering but looking down upon Satan in the yard** and then when viewing you upon the large comfortable chair snickering against that being known occurring-**{to represent he being felt still of position high above Satan and all the others but they all being those like yourself whom now instead of himself being those of another to be positionally seated comfortable and ridiculing against him in mockery- {snickering**

against him. Thus all being in prophecy of his own slogan-**{the what goes around comes around.**

**The Holy Spirit says ..**The event to have ensued of Boston is such to have been devised from the Anti-Messiah triggered from an anger attack thus believing he to bring quickly forth of that not in readied solution ordained by The Lord God to occur. For such to have been as in example a lion having been awakened from sleep and assumed of attack to come against the natives But whom pushed back in its set boundary. For The Lord God to have brought of a halt to that desired of his pursuit as shared from the vision-**{upon the deputies from above at the top of the stairs standing near an open door where inside to be flooded with bright light** for such to represent The Lord God to open the door to the light of the situation bringing all to clarity. But there to be still many multitudes of minor occurrences thus to ensue from that the Anti-Messiah he to conspire to cause of trauma against those he to despise when using the man of his hatred-**{the Chaldeans where in-turn among themselves to form in battle.** For of the situation such to have been those the man personally selected by the Anti-Messiah so to render of the crime thus being the man within spirit and situation similar of himself as to represent-**Another desiring to rid of that not desired to be with someone belonging.** For the man of the world to assume of their own wisdom the guilty party to be two men whom acting alone. But such to be two woman conjoined whom conspired the vicious attack. Where as mentioned within the vision-**{whom both walk a dark path of filth but worn of dainty high heal shoes representing those of high position and within society whom play the role of illusion whom of another to be never to believe such of status to venture within such a crime.** Where in-turn the one woman to have thrown that to be brought of criminal evidence against her being washed away into the ocean. But the main culprit the woman of team leader to now

stand afraid believing to be caught as that to be shared within the vision-**{for there to have been mistakenly someone of her close familiarity that to have discovered she thought to hide- {the trashed secrets.** For the man she to fear being whom recognized by the trash as shared of the vision-**{when the woman found when viewed of her trash to not be of her own but to contain a large fresh uneaten water melon cut in half where in-turn the woman to realize such to be the trash belonging to a neighbor which to have gotten twitched up with her own.** For the man trash to represent himself and that the man to eat being that of himself-**{And water melon to be a harvest fruit from Egypt. Therefore the trash represent the close familiarity** she to fear. The woman whom to have been killed shown of photograph to be of the source of all to have occurred-**{being the attentive victim.** For the Anti-Messiah to have surmised such an event so to bring forth the calamity against the Chaldeans. For such to have been devised to cause an out-rage of community throughout the Land of the Americas where from such to have ensued a world assembly to gather against Chaldea. Where in-turn being those no longer of Satan treaty therefore whom to have been a people plundered to the dust. Thus being why The Lord God o have halted the situation for the Chaldean man are those no longer of Satan former treaty but such the treaty formed of the Anti-Messiah with another to not take affect until after the Harvest-**{when being The Lord God to have retrieved His people.** Thus where in-turn of the spirit to have been surmised of the two woman of such to be blamed of another nation. **Where in all Simplicity the crime to have been committed of a matter not international but situational.** But the young man to be whom interrogated by those thus such the man used by the Anti-Messiah so as to push the boy into admitting to be whom affiliated with Arabs. Thus to be as voiced from the vision-**{upon the man to seat upon the one being**

interrogated thus to feel as though the man cannot breath  
and in defence he to bite at the man arm but being as  
though not being felt of the man. Thus to represent- {The  
interrogation held is not to gain of its truth but only of that being  
desired to hear- {that such the event to have unfolded and been  
initiated of another whom of the man to hate- {the Household of  
Shem. Where as shared with in the vision- {**For the agent  
desired me to speak forth of a lie against another thus for  
me to point of the guilt against another man whom like  
himself that to work of position as a policing deputy** thus to  
represent being those whom desire to lay of blame against  
someone like themselves of such a crime the man presently of  
innocence. Thus being why the Anti-Messiah to choose the  
specific city of Boston because there being those of the  
multitudes against such a man. Therefore such being of those the  
men whom carry the arm of steel readied for battle of that  
surmised in hatred within the man spirit as like in same being the  
Anti-Messiah- {**for the angered hatred is such cannot be  
penetrated against.** Where in-turn to also represent the men of  
the anger are those used in representation of the Anti-Messiah his  
arm that being made of steel so to ensue of that thought to  
release of his triumph. Thus in-turn being why you as in the  
vision- {**when the man to seat upon you with all his heavy  
weight and to feel he to hurt the child within you** to represent  
of that voiced- {all being of the wicked spirit power and strength  
through enactment thus being also that surmised to seat upon you  
and destroy you and the child. Where in-turn being why of the  
vision segment the vision of **the interrogation** and the room  
inhabited by **Satan and the Anti-Messiah** being the outer room  
connected- {For such to represent both to assume stage of play  
against man performance being of that shared within the vision-  
**For both to be attorneys sharing a small office area of  
matters brought to them in concern of another.** Representing

the tiny small area of earth they both to share of wickedness- {Yet not trusting of one another but abiding time. But The Lord God to have stepped in so to scratch out the devised plan for such to not be in its time of the readied position. Where in-turn the nation leader **President Obama** to have stood of voice telling the man to not jump to conclusions thus being that done of Myself-The Holy Spirit where being through the man obedience Myself-The Holy Spirit Commanding of the man spirit- **{To Be Still**. And where in-turn allowing through the Power and Strength of The Lord God the others being those quickly shared the where about of the guilty party as voiced from the vision- **{of that being hid in the dark within a boat upon called a place of water and leaving a message of bloody arm print**. Where in-turn the authorities to follow of obedience to that shared and heard thus to find the man in the town called water hiding in the dark within a boat where to have been found of the bloody print.

**In Personal Note** ..I to have sat in quiet after being explained of the visions by The Holy Spirit and in-turn voiced in shared conversation with The Lord God in matter of how I felt. That for the first time when within the visions viewing the Anti-Messiah I to not have been as before frightened and afraid but to have as though for the first time literary viewed the reality of the wicked spirit and Satan. For as voiced of The Lord God they being criminals and from such to be its reality. For Satan being whom to construct of visual entertainment- **{the illusions**. Thus being that performed through the theatre and play acting. For Satan loves glamour praise and glory therefore being why those his children long before- {the many Greeks to have established all the arts and performance where in-turn being those their cousins the many other Chaldeans whom love glamour glory and praise- {for such to be in same of their father- {whom loves glamour glory and praise. Where in-turn to have ensued the many man from the attention from the- {the glamour praise and glory the multitudes

run in pell mell pursuit of such so to achieve. Thus where in-turn the man of the audience within their daily lives being those to mimic of the foolish performers enactment. For upon viewing the photograph shared of the many police officers in Boston standing in role of position with their weapons I in-turn voiced to The Holy Spirit saying- {they look like toy soldiers standing in the darkness. The Holy Spirit responded saying- {they are for all is arranged of play being those enacted by the wicked spirits whom form around the man the darkness. Thus being that in same performance enacted of the theatre where as in-turn the many man unknowing to be those assisting of Satan when of a viewer participation of that elaborated of illusion thus to bring all the famed attention. For the man not realizing of that being enacted is literary the demons and the dead spirits from the pit those before and of present whom inhabited within the earthly man and being those whom actually performing through the play of stage.

Thus where in-turn the extended pledge of honor from the watcher being such extended to the demons and the dead. **The man do not know what he do.** In-turn The Lord God to have shared with me in vision of that viewed by Him seen of the man conjoined activities engaged of entertainment with the demons where **in the vision** ..I to be in a large stadium and there to be a vast multitudes of people all gathered together in the dark to view a performance. All man to be those as in a trance whom just loudly screaming of laughter being viewed at that upon the stage being a man of enactment demonstrating as an abomination thus being such a man upon the stage surrounded and being guarded by many others as though a man of prominent statue. I then looking all around voiced loudly against the crowd saying- {what is wrong with you for all of that to be performing is an abomination-its not a man for the man of the vast crowd could not see what was really upon the stage thus being a retarded demon enacting of performance. I then to gather my shoes laid

upon the floor and placed them on being in hurried readied  
motion to take leave from the cinema. But as I walked away to  
feel something uncomfortable within my shoe. In-turn I hurriedly  
took off my shoes and to shake away that being inside where as to  
have emptied out a filthy very large roach that to have been in the  
dark buried within. **The Holy Spirit to Interpret of the vision**  
**saying ..For the stadium to represent the world where being**  
**the vast crowds those whom assemble eagerly and to pay of**  
**performance that to be demonstrated through another man**  
**enacted of blasphemy by the demons. But the many man**  
**being those whom are blind therefore whom cannot view of**  
**that in performance being an abomination. Where in-turn**  
**being those the man of multitudes whom to seat darkened**  
**of spirit as in a trance viewing the absent minded**  
**wickedness with mouths wide agape in retarded laughter**  
**shared with a wicked spirit-{the abomination. The man**  
**those to gladly administer shouts of honor and tribute thus**  
**being that esteemed to the demon-{prominence glory and**  
**praise. The filthy roach embedded within the shoe to**  
**represent the many demons that lay buried and unseen**  
**hidden upon the man those the wicked spirits whom to be**  
**rendered in appointment against the man as in same of The**  
**Holy Spirit-{being the guide of the man journey. But instead**  
**the man being those to look down and shake away that lay**  
**buried hidden wicked thus causing the journey of path**  
**uncomfortable such the man being those to only render**  
**along pell mell down the road as though absent of thought.**

Thus being the many man whom to just sit in trance screaming of  
laughter and extending of tributes making another rich fat and  
plump from the glory and then the same man being whom to go  
forth to The Lord God in need of food and shelter. For such to  
be known the demon whom of the man extended glory to not  
help. For the man in that he to save of that extended to another

such to achieve the man of not want. In recent conversation with a neighbour whom of prophetic gifts she to have shared with me of the exact same situation. Where in-turn to have voiced she also not to view of the television not because of being Instructed by The Holy Spirit but of that she herself to be aware for such to be known of her as in same myself the wicked spirits to use such a devise as a portal thus as to enter within the many multitudes of households and where in-turn being those to inhabit the man thus to mimic of that shown of theatre. But the man shared of the world wisdom those the wise learned scholars to believe and teach all to occur from such because when viewing the man being therefore as a monkey where in-turn as to mimic. But such the man the multitudes to not know The Lord God Power and Strength of Performance and to have viewed of its demonstration or knowing of Satan and the others their ability to enact. For the woman in awareness of of the wicked spirits activity like myself she too view the wicked spirits those to enter in and out another man and those whom to wander in and out homes coming and going and thus being those very filthy. For the dead spirits whom still continue to carry of same filth and disease of that before to have died and for nourishment being whom to consume anything **Anything**. Thus of such being that too shared with the man they to inhabit- {they are filthy. **In-turn** the Anti-Messiah he being as the tool of instrument Satan to use for mass destruction for he love explosions that to bring the man running in terror- {where of his children being those like himself- {the man whom always of twisted face ready to fight and battle- {the man of temper like his father. For Satan to gather the entertainment and the Anti-Messiah the sword. And for the first time when in vision to have been allowed of The Lord God to in finally sit within their mind and without illusion viewing its truths. Both Satan and the Anti-Messiah they have no respect for The Almighty Father and Heaven. For Satan is a rapist and liar and the Anti-Messiah a thug.

And their established kingdoms are all run in order so as to achieve the thrill of seductive lust rape fornication adultery greed and murder. And all that seen of the world and viewed through their children to have been that in finally in person myself allowed to be seen of them. For all their earthly children are those to Literary enact **in the exact to represent them** ..For they are Twin Criminals whom stage themselves as attorneys.

## THE HOLY SPIRIT SAYS

### TAKE NOTE

There being the many man to feel- {well the Anti-Messiah he to not be against me but those of another. THE HOLY SPIRIT SAYS OF THE LORD GOD  
{from{Isaiah 1:18-20..“The Lord God says ..Come lets talk  
this over no matter how deep the stain of your sins I can  
take it out and make you as clean as freshly fallen snow.  
Even if you are stained as red as crimson. I can make you  
white as wool. If you only let Me Help you if you will only  
obey. Then I will make you rich. But if you keep on turning
