## INTRODUCTION

### I WROTE THIS BOOK BECAUSE OF YOU

*The best use of life is to spend it for something that outlasts life.*  
- William James

I wrote this book because of you. I wrote this book because I believe in what God can do with you. I wrote this book so that the eyes of your understanding may be opened to the reality of God's Word, and that you will have a better knowledge of the person you are and what God expects of you.

For a long time ladies have been treated as second-class people – even in religious circles. But that is not the will of God. God is not a gender discriminator. The ladies are as important to Him as men are. The height you can reach and the things you can accomplish with your life are not determined by the gender limits placed on you by anyone (including you) or any system; it is determined by your acceptance or rejection of those limits.

Despite the fact that you are a lady, you can still be the light of the world. When the Lord said: “*You are the light of the world,*” that statement was inclusive of you. But “You could be the light of the world but no one will know it unless the switch is turned on” (John Mason).

## What God Can Do With A Lady

That's exactly what this book is all about - to make you turn on that destiny switch.

*Anything you accept into your life becomes powerful.*

If you accept human laws and traditions of limitation into your life, it becomes a power working inside of you to limit you. Also, if you accept the liberty of the Word into your life, it becomes a power that works inside of you, leading you to your destiny.

*Ignorance is powerful.*

Many ladies accept what they ought not to into their lives as a result of ignorance. In a society such as ours, nothing destroys a lady as ignorance. Human laws and tradition have their power through ignorance. *An ignorant lady is a lady that cannot fulfill her destiny.* It is even more tragic to see some ladies celebrating ignorance in their lives and the limitation that tradition has placed on them. As a matter of fact, some even defend it. That is what ignorance can do!

But where you find yourself in life is not the problem, it is what you do with the situation that matters, which is why it is time to take a look into the perfect Law of Liberty that God has provided for you. And you need to do more than just taking a look into it; you need to dive into it like Peter dived into the water when he saw our Lord Jesus after His resurrection.

God has given you His Word to be a light unto your path and a lamp unto your feet. When you neglect this Word you walk in darkness. Anne Ortlund said it right when she said: "In recent years we have been obsessed with figuring out what a woman should be allowed to do. God says in His Word, a woman can do anything; the point is not what she does but what she is."

I believe this book will bless your life because you are a lady. I believe it will change your life because God wants you to be an agent of positive change. *When you resist change, ignorance and suffering persists.*

*When you resist change, you strengthen the limitations in your life.*

*When you refuse to make changes you refuse to create room for opportunities and increase in your life.*

I want you to have a positively different picture of yourself.

- You are a blessing to the world – let the world experience that blessing.
- You are a favor from above – let the world perceive the savor of that favor.
- You are a treasure chest – empty what you have on the inside of you for the world to see and be blessed by it.

Brenda Francis said, “Inspirations never go in for long engagement; they demand immediate marriage to actions.” Therefore I urge you to marry the wisdom and inspiration you will get from this book with God-inspired action.

Finally, in the words of Madeline Bridges, “Give the world the best you have and the best will come to you.”

*Happy changing!*

## What God Can Do With A Lady

### CHAPTER 1

#### YOU ARE FAVORED IN YOUR WEAKNESS

*When you appreciate who you are and what you have, other people's negative opinion won't count.*

Women are commonly referred to as the weaker sex and this has made many ladies believe they are weak in all ramifications. Our forefathers resented sending their daughters to school because they believed a woman was incapable of learning. She was seen as a weaker vessel – too weak to have her own convictions and make her own decisions (that was why their parents decided who they got married to). Even in the church this same mentality is being carried about in some quarters till date.

When people are ignorant of the Word they become ignorant of what God can do with ladies and what He expects of them. God is not looking for vessels on the basis of gender. He is not looking for strong or weak vessels; He is just looking for yielded vessels because a yielded vessel will always bear fruit.

The Lord is saying to you *“My gracious favor is all you need. My power works best in your weakness.”* When the Apostle Paul received this revelation, he said,

*“So now I am glad to boast about my weakness, so that the power of Christ may work through me.”  
(2<sup>nd</sup> Corinthians 12:9, NLT)*

This is my paraphrase of 2<sup>nd</sup> Corinthians 12:9a:

*“My grace is what will make you competent, for My strength is best manifest in your area of weakness.”*

Some ladies tend to regret why they were born ladies and even ask God why, because of how the society has treated them. They have run from the community to the Church where they hoped to find succor, but the gender inequality is being upheld there also, to their greatest disappointment.

But there is hope for the ladies. God says He has decided to favor you even in your weakness. He says because you have been treated this way I have decided to favor you by the effective working of my power in you and through you. God says you shall be a wonder to many even in your weakness. He says you shall be a source of strength to many even in your weakness.

God has decided to favor you and nobody can terminate that favor. Christianity is not all about who you are on the outside; it is all about who you are on the inside. For your information, an unregenerate person is not the image of God. The Bible says if a man (generic not gender) is in Christ he/she has become God's image. Both male and female, we are all the image of God in Christ. So the nature that determines who you are is the nature that is inside of you and not your physical anatomy - we all have the same spiritual anatomy. Galatians 3:28 says,

*“Faith in Christ Jesus is what makes each of you equal with each other, whether you are Jew or Greek, a slave or free person, a man or a woman” (CEV).*

The Bible says that when we were baptized into Christ, no matter who we are, we *“have been made to drink into one spirit”* (1<sup>st</sup> Corinthians 12:13,

## What God Can Do With A Lady

KJV). The ladies were not baptized into a different Spirit from the men, but into one Spirit. The Bible also puts it to us that

*"We cannot get along without the parts (of Christ) that seems to be the weaker."  
(1<sup>st</sup> Corinthians 12:22, CEV)*

That is why the Holy Spirit can distribute the same gift to a man and a woman, because He gives as He wills, not as our laws, customs and traditions demands or think should be (1<sup>st</sup> Corinthians 12:11)

God has not set any pattern in His Church that makes some people more important than others because of their gender. God does not show favoritism. So don't let your gender be a barrier to you. Don't let your gender hinder you from becoming all you can be.

*Your gender has not put you in danger; it has put you in God's favor.*  
Never accept people's discriminatory opinion about you, but accept what the Word says about you. See yourself the way God sees you. People have the choice of seeing you the way they like to, but you also have the choice and the right to see yourself the way you ought to.

It is not how people see you, what they think of you and what they say about you that determine what you will eventually become in life; it is how you see yourself, what you think of yourself and what you say about yourself that does. Note that "Your confession in times of confusion will bring conclusion to your condition" (Utibe Edem Effiom). Therefore see yourself and think of yourself in the light of God's Word and not in the light of human opinion and tradition. Tradition is nothing but an opinion. Tradition can never increase your life or give you room to make the most of yourself, rather it limits you.

*You can never get to the top by climbing the stairs of tradition.*  
Tradition will never give you a chance, but God will always give you more than a chance. Therefore to beat the barrier of tradition you have to build confidence in yourself using the Word of God. You need to build your confidence on the Word and let the Word influence your

mentality instead of letting human tradition and opinion to ruin your destiny.

*When you ignore the Word, you are ignoring the key to your liberation.*

God says although you are a lady, you can do all things through Christ who gives you the strength to do what you set your mind to do (Philippians 4:13). This is because you are a chosen personality, a royalty, a priest, and a peculiar person unto the One Who made you. He has favored and called you to Himself (1<sup>st</sup> Peter 2:9). Therefore,

*“Stop evaluating Christians by what the world thinks about them or by what they seem to be like on the outside...”*

*2<sup>nd</sup> Corinthians 5:6 (TLB)*

It is wrong for we Christians to evaluate ourselves with the eyes the world evaluates people. It is wrong for us to evaluate ourselves with the eyes of human tradition and custom. What we are is not determined by human custom and tradition, and neither were we called to uphold and preach human custom and tradition.

*If Jesus had embraced the tradition and laws of the Pharisees He wouldn't have been able to embrace you.* Search your Bible. You'll discover Jesus never treated any lady as second-class person. He never treated any lady as though she weren't important.

You are not less important to God than the men are just because it was Eve that fell to the devils temptation and not Adam, if so then Jesus would have died for men alone and not for you. I know this is one of the scriptures that traditional religion has used to place a limit on ladies in the church for many centuries.

And for your information, God does not consider you in the light of what Eve did. He considers you in the light of what Jesus did. As a matter of fact Eve is not your mother, Sarah is. The Word of faith never said you should look up to Eve as your mother but it said,

*“Look unto the rock whence ye are hewn and to the hole*

## What God Can Do With A Lady

*of the pit whence ye are digged. Look unto Abraham your father and unto Sarah your mother that bore you ..."*  
Isaiah 51:1-2 (KJV).

You have the liberty to be all that God wants you to be, do what God wants you to do and you owe no one any apologies for doing so. God has filled you with His Spirit as a guarantee for this. *"Where the Spirit of the Lord is, there is liberty."* Refuse to be tied down. Don't let your destiny to be tied down. You have the liberty to fulfill your destiny in Christ Jesus. You have been filled with the Spirit of liberty and you have been given the perfect Law of liberty as the manual of your destiny.

*"You must carefully study God's perfect law that makes people free. You must continue to study it. You must listen to God's teaching and not forget what you heard. Then you must obey what God's teaching says. When you do this it will make you truly happy."*  
James 1:25 (ETRV)

*When you accept all that the Law of liberty says about you, you become liberated and activated to fulfill your destiny.*

### **CONFESSION**

*Father, I thank you for the law of the Spirit of life in Christ Jesus has set me free to be all you want me to be and do what you want me to do. I am no more condemned because I am in Christ Jesus and my liberty has been confirmed. I have been unleashed to fulfill my destiny in Christ Jesus. Amen.*

## CHAPTER 11

### YOU ARE PREGNANT WITH GREATNESS

*The limits of your beliefs are the limit of your possibilities.*

The gospel of Luke was written to a man named Theophilus who no doubt was an important personality due to the way Luke addressed him: “*most excellent.*” This could pass for the equivalent of ‘your Excellency.’ Luke wrote to him saying that many people have written accounts of the life and ministry of Jesus. But that he was set to put down an orderly account of the life and ministry of Jesus with information the other writers did not include in their accounts, probably because they were not aware of them.

If you study the other three gospels you will discover that none of them carries a detailed account of the birth of John the Baptist and Jesus like the gospel of Luke does.

The first chapter of Luke’s gospel contains so much of what God can do with a lady, which is why I want to share it with you. I want to believe you know this story, if you don’t please pick up your Bible and get yourself acquainted with it before continuing.

## What God Can Do With A Lady

God sent the angel Gabriel to Zechariah, a Priest, whose wife Elizabeth hath been barren all her life, so as to inform him that God has answered his prayers and have decided to give him a son through his wife Elizabeth. The child was to be named John and the angel said this concerning him:

*"... he shall be filled with the Holy Ghost, even from his mother's womb.  
And many of the children of Israel shall be turn to the Lord their God"  
(vs.15-16, KJV)*

Elizabeth surely became pregnant.

*"And after those days his wife Elizabeth conceived, and  
hid herself five months, ..." (v.24).*

Elizabeth's life was transformed by this pregnancy yet instead of rejoicing and announcing it to her people she decided to hide it because she had not still overcome the effects of the humiliation and shame her barrenness had brought her. God had done something new in her life but she was still living under the influence of the past, she let the pains and the devastation of her past to affect her life even after a new reality had dawned in her life.

God has done something in your life - the old is past, so let it go. Don't let the experiences of the past becloud the new thing that God has done in you and for you. Next, the same angel, Gabriel went to Mary and informed her of the child Jesus she was meant to conceive. He said to her,

*"The Holy Ghost shall come upon thee, and the power of  
the Highest shall overshadow thee ..." (v. 35 KJV)*

Now let me take you back to Genesis chapter one. In verse two we are told that the Holy Spirit hovered or brooded over the surface of the waters before God started speaking forth the words of creation. The Holy Spirit brooded over the earth like a hen broods over her eggs to hatch her chicks. What the Holy Spirit did – brooding over the surface

of the deep - in Genesis chapter one is what the angel proclaimed He will do to Mary. The first time the Holy Spirit brooded over the earth, God's thoughts, plans, design and purpose for the earth was 'hatched'. So what was to be "hatched" this time around that the Spirit of God was to brood over the Virgin Mary?

*"Therefore also that Holy One who is to be born will be called the Son of God."  
(v.35, NKJV)*

The Holy Spirit overshadowed Mary and the Son of God, Jesus, was 'hatched'. But this never happened until Mary believed that word. She said, "... be it unto me according to thy word. And the angel departed from her" (v.38, KJV). She believed it and it happened to her as it was spoken by the Lord.

The Holy Spirit has overshadowed you to 'hatch' God's thoughts, plans, design and purpose for your life. He has overshadowed you to 'hatch' greatness in you. He has overshadowed you to make something marvelous, beautiful and significant out of your life. If you believe, it will happen to you according as the Lord has purposed.

Next, Mary left immediately to visit Elizabeth her cousin and I believe that on her arrival she must have said to her, "Good afternoon, Elizabeth." The Bible says,

*"And it happened, when Elizabeth heard the greeting of Mary, that the babe leaped in her womb; and Elizabeth was filled with the Holy Spirit. Then she spoke out with a loud voice and said, "Blessed are you among women, and blessed is the fruit of your womb! For indeed, as soon as the voice of your greeting sounded in my ears, the babe leaped in my womb for joy" (vs. 41- 42, 44, NKJV).*

What a wonderful experience they must have had. Mary had become a carrier of the Godhead because she was carrying Jesus in her womb. Colossians 1:19 says that, "God in all his fullness was pleased to live in Christ" (NLT). Mary greeted her cousin Elizabeth as usual and surprisingly she received the baptism of the Holy Spirit on the spot and began to

## What God Can Do With A Lady

prophecy (vs.42-45). At the same time the baby, John, in Elizabeth's womb also received the infilling of the Holy Spirit as the angel foretold in verse 15 and began to leap for joy right in her mother's womb. Joy is a fruit of the Spirit and John the Baptist began to bear the fruits of the Spirit right from his mother's womb.

So God passed through Mary to bring His word to pass. The power and anointing that was on John the Baptist, which also saw him through his ministry, was imparted in him through a lady - Mary.

I also want you to realize that the move of the Holy Spirit in the New Testament dispensation started with ladies – Mary and Elizabeth – before John the Baptist. Also, Elizabeth - a lady - was the first person to prophesy in the New Testament. If God could do such wonderful and marvelous things through these ladies in scripture then He can also do same in and through you.

Mary was a carrier of Jesus, a carrier of the Godhead. But you are also a carrier of Jesus – you are pregnant with Jesus. Colossians 1:27 says in part,

*“For this is the secret: Christ lives in you, and this is your assurance that you will share in his glory”. (NLT)*

Colossians 1:19 says,

*“For God wanted all of himself to be in his Son.” (TLB)*

And Colossians 2:9-10 says,

*“For in Christ there is all of God in a human body; so you have everything when you have Christ, and you are filled with God through your union with Christ.” (TLB)*

If you are a child of the Kingdom, you are pregnant with what Mary was pregnant with. If you are a virgin then you are a pregnant virgin. Mary brought forth the Great seed that was in her and that Seed has positively impacted the human race until now and will continue to do so for eternity. That same Seed is in you. There is a seed of greatness

on the inside of you and God wants you to bring forth that seed and affect the world for good. The Lord had made this promise to you thousands of years before you born through prophecy. Therefore the manifestation of this power and greatness in your life is nothing but a fulfillment of prophecy.

*“After this I will pour (give) my Spirit on all kinds of people. Your sons and daughters will prophesy. ... At that time I will pour out (give) my Spirit even on servants, both men and women.”*

*Joel 2:28-29 (ETRV)*

The church experienced a period when the power of the Holy Spirit was no longer driving and influencing the church. This period is commonly referred to as The Dark Age, which is the period between 400A.D - 1517A.D. The Dark Age came to be because the Word of God and the power of the Holy Spirit in the church was replaced by human tradition and philosophies. During this period faith in God was not a part of the Christian's lifestyle, biblical doctrine was twisted to accommodate pagan doctrines, people didn't know what it meant to have a personal relationship with the Lord, and the Christian world was still ignorant of the experience of the outpouring of the Holy Spirit.

But in 1517 faith in God was being restored to the church through Martin Luther's revolution. By 1738 people started having a personal experience with God through the preaching of John Wesley. But the outpouring of the Holy Spirit was not experienced until 1901 A.D.

Charles Parham founded a small Bible College in 1900 called Bethel Gospel School and he had forty students attending this school who spent much of their time studying the Word of God and seeking God in prayer. On January 1, 1901 one of his students, Agnes Ozman received the outpouring of the Holy Spirit with the manifestation of tongues as promised in the book of the prophet Joel.<sup>1</sup> This outpouring

## What God Can Do With A Lady

of the Spirit on Agnes Ozman is considered to be the onset of modern Pentecostal revival.<sup>2</sup>

Modern Pentecostal revival started with a lady. It was not a matter of gender it was a matter of favor. There were forty students in that school and there were a mixture of the both sexes. Also they all had been studying the Word and waiting upon the Lord, so if it were a matter of gender the men there would have been the first to experience the outpouring before the ladies.

When Prophet Joel said “Your sons and daughters” He did not mean that the men have a priority over the women. Both the men and the ladies, according to the Prophet Joel were to receive the same thing – the outpouring of the Spirit. Also he said, *“even on servants, both men and women.”* Your gender, class or social status does not really matter. But the truth is that God does not fill you with His Spirit and expect you to remain the same person you were after you received the infilling. God expects to see a different you. He expects to see a better you, a higher you.

*You cannot be anointed for nothing.*

An anointing is an empowerment. When you receive an anointing you receive the power to do something exceptionally well. When you receive the outpouring of the Spirit, God expects to see an out-flowing of the abilities of the Spirit that has been poured out into you.

In the book of John chapter 4, Jesus set out to travel from Judea to Galilee and decided to pass through Samaria. He came to Jacob’s well at Sychar and decided to take a rest there, for a purpose anyway. Soon, a Samaritan woman came along and Jesus asked her for water but she refused. Then Jesus said to her:

*“You don’t know what God want to give you, and you don’t know who is asking you for a drink. If you did you would ask me for the water that gives life”*

---

<sup>2</sup> Klaude Kendrick, The Promise Fulfilled (Springfield, MO Gospel Publishing House, 1960) p.53

John 4:10(CEV)

In other words He was saying to her: *“You don’t have an idea of what God can do in you and what He can do through you. You don’t also know that the person standing before you is the person you need in your life in order to fulfill your destiny. If you did you would go ahead and ask Me into your life and let Me do with you what I can do with a lady.”* Jesus imparted life in this lady, and something happened in her that caused her to run into the city and spread the Good News to her country people. She was the first person to preach the gospel in Samaria. Jesus never reached Samaria before her, He simply created an impact in her life and she went ahead to replicate that impact in other people’s lives, her previous lifestyle notwithstanding.

She was a divorcee many times over, but Jesus could still impact her life and use her life to impact the lives of others positively. She became a different message. If that wasn’t too hard for Jesus to do I don’t think yours will. If that lady’s life wasn’t too hard for Jesus to transform and beautify I don’t think yours is. We often think God can’t because we evaluate His ability from the standpoint of our own ability. But your inability is nothing but a pointer to God’s ability.

Also the first person to evangelize Jesus was a lady - Anna the prophetess. The Bible says *“She talked about Jesus to everyone who had been waiting for the promised King to come and deliver Jerusalem”* (Luke 2:38,(NLT).

God used ladies to set a record. God used ladies to start new things. God can use you to do a new thing in your family. He can use you to set a record. He can use you to do a new thing in your neighborhood, your community, your city, and your country. God can use you to do a new thing anywhere. He can use you to set the records straight. He can use you to put an end to an evil cycle. He can use you to loose people from the bondage of many generations. He can use you to transform and bring restoration into someone’s life. The Lord is saying,

*“Behold, I am doing a new thing! Now it springs forth; do you not perceive and know it and will you not heed to it?”*

## What God Can Do With A Lady

*Isaiah 43:19, (AMP)*

I believe the new thing God is doing is that He is raising you up to use you for His glory. What God can do with you is already springing forth in your inner man by the power of the Holy Spirit, which is why you need to study the Word to know it.

Now the question is, will you heed to it? Will you heed to tradition and human customs instead of heeding to the move of the Spirit in your life? Will you heed to fear, intimidation and criticism instead of heeding to the power of the Word and having confidence in what God is doing in your life?

*You Are Pregnant With Salvation!*

Mary became pregnant with that which the world was looking for and waiting for – salvation. She was pregnant with Jesus, and the name Jesus means salvation. Mary was pregnant with the Salvation the whole world was looking for and waiting for, the desire of all nations. And Obadiah 21 says *“And saviours shall come up on mount Zion...”* (KJV).

Saviors shall arise in the Church (Mount Zion) as prophesied in the book of Obadiah because the Church is the breeding ground of saviors – male and female saviors. Mary became a “savior” or “deliverer” when she became pregnant with Salvation. And you have to realize the fact that *you cannot become a savior until you become pregnant with Salvation.*

John the Baptist was anointed to salvage a situation. The angel Gabriel said he was to be filled with the Holy Spirit right inside his mother’s womb, *“And many of the children of Israel shall be turn to the Lord their God”* (Luke 1:16, KJV). When you became born again you became pregnant with the seed of salvation. Take an insightful look at yourself, because what a lot of people are looking for is certainly on the inside of you. You are pregnant with the solution to people’s problems. You are pregnant with the resources of heaven, and the resources of heaven are what people need to realize their destinies. It does matter whether you believe this or not. Your not believing it doesn’t make it untrue and your believing it will make it come true.

*If you do not believe in your ability, what you can accomplish remains a probability.*  
Ephesians 3:16 says,

*“I pray that from his glorious, unlimited resources he will give you  
mighty inner strength through his Holy Spirit”(NLT)*

It is from these resources that you get the strength, the ideas and the inspiration to meet other people's needs. Also, these resources are unlimited, that is why you can do all things because the Christ Who lives in you strengthens you (Philippians 4:13).

You can achieve what you want to achieve through Christ who inspires you encourages you and empowers you to do so. You can accomplish more than your physical abilities can because of Christ who gives you the super-ability to do so. Your achievements can literally dazzle you because you are connected to the glorious unlimited resources that are in Christ Jesus. You can come out of mediocrity and inferiority because of Christ Who boosts your personality in the inner-man and transforms your mentality.

It is not a gender affair; it is a grace affair because in the Kingdom of God we operate in the realm of grace. In the realm of grace you become supernaturally endowed to positively affect your generation for good.

Stop wishing you were born a man. The reason God never created you a man is because it is not necessary for your destiny. When God created you He saw that you were good – just good enough for fulfilling His purpose for your life. Therefore celebrate your womanhood! If you do not appreciate and celebrate your gender, you cannot realize your destiny, because your destiny is intimately related to how you were created by God.

Recently I read in the papers of a man who went through surgeries to be transformed into a lady. That was the height of foolishness, ignorance and carnality. Years later he (or is it she?) realized his foolishness because he did not become a better person or found

## What God Can Do With A Lady

fulfillment in life as a result of that. He went through surgeries to become a man again.

Do not say, “Why was I born a lady and not a man? It would have been better with me if I were to be a man.” Wisdom does not lead you to ask such questions. When you ask such questions you are questioning the wisdom of God. Don’t comment on what you do not understand. Rather seek to understand God’s purpose for your life. David said,

*“Until I went into the Sanctuary of God then I understand”  
(Psalm 73:17, NKJV).*

The Lord is saying to you,

*“Call to Me, and I will answer you, and show you great  
and mighty things which you do not know”  
(Jeremiah 33:3, NKJV)*

Always remember, your gender cannot frustrate your purpose because gender does not endanger purpose.

Wait upon the Lord and He will give you understanding concerning His purpose for your life and why he created you the way He did. *Understanding gives you a firm standing.* When you discover and understand the importance of God’s purpose for your life, you become well positioned for every opposition to it.

Always remember:

- Your gender does not place a limit on what you can accomplish with your life.
- Your gender cannot frustrate God’s purpose for your life because a lady’s gender does not endanger her purpose.

### **CONFESSION**

*Father I thank you because I am a lady. I was created for greatness. I am molded for greatness, and I am moving towards greatness for I am pregnant with the seed of greatness. In Jesus' name. Amen.*

## **THE WISDOM-DRIVEN MENTALITY**

*Your Destiny Is Waiting For A Change In Your Mentality*

*The Wisdom-Driven Mentality - Your Destiny Is Waiting For A Change In Your Mentality* is a spiritual work that will make a positive difference in your life by making a positive difference in your mind, for the author is of the opinion that you are not guaranteed a better life until you acquire a better mentality.

In this mind-transforming and spiritually revitalizing work, Maikh Etto digs into the mentality of the human person and unravels those mental strongholds that keep people bound and limited, robbing them of the power to maximize their spirituality and fulfill their destinies.
